

## Anti drug committee constituted as per Govt. Of Karnataka.

### **Anti- drug Awareness Programme on 20/9/18**

City police crime department announced the battle against narcotic drugs. On receiving strictures from the Chief Minister himself, Home Minister passed on the instructions to the police department to save the society from drugs. In this pursuit, the Principals of various colleges across the city were called for a meeting at **NIMHANS**. Following which principal of the college instructed the NSS program officer to organize an event to address the problems caused by drugs.

Amruthahalli police station circle inspector, sub inspector and head constable arrived at college to address the students. NSS volunteers were deployed to maintain discipline and decorum during the session. Police officers urged the students to stay away from drugs. During his address he created awareness about the law related to drug trafficking. The legal consequences, social repercussions of becoming drug addict or helping directly or indirectly for storing, selling or distributing consuming narcotic drugs were also discussed in an effective manner. Videos containing short films related to drug abuse were projected.

Principal in his address urged students to abstain from drugs. He expressed how the dreams and expectations of the parents get shattered if their children are into drugs.

Anti-drug committee was established in the college at the behest of the police department to create a better society.
