## **INNOVATION AND INCUBATION CENTRE (IIC)**

The Indian government has introduced over 50 plus startup schemes in past few years. Each startup scheme is missioned towards boosting the Indian startup ecosystem. India is also at third place behind US and Britain in terms of the number of startups. Furthermore, in line with its global counterparts, India has its own billion dollar club to boast about. The launch of the Startup India Action Plan on January 16, 2016, by Honorable Prime Minister Narendra Modi. In the past 18 months, the Indian Government has come up with a wide array of startup schemes and startup funds to encourage launch and growth of startups in the country. However, of the many initiatives, only a few such as flow of Funds, Tax exemption, gain hype across the startup community.

Keeping this in mind, we at Sindhi College have tried to curate an exhaustive list with the details of these 50+ startup schemes floated by the Indian government to date to support the Indian startups, SMEs, MSMEs, Businesses, Research Institutes, Incubators, Accelerators, etc.

The Incubation Centre was inaugurated to bridge a gap between Industry and academia. The Students will be guided to take up business ventures to create jobs for the growing unemployment. The Innovation and Incubation Centre was started at Sindhi College to nurture the students towards entrepreneurship. It also proposes to provide financial assistance in the form of seed capital for the innovative dream business projects so that the students will be benefited at large.

In Incubation Centre provides a whole new startup ecosystem for the young entrepreneur as defined below.

- A platform where idea can be nurtured into viable business.
- Where you can get some expert mentoring.
- Helps to find initial funds and networking.

The Incubation centre was inaugurated on **08<sup>th</sup> May 2018** and the constitution of the committee is as follows.

**A REPORT ON BUDDING ENTREPRENEUR**  
**ON 29<sup>TH</sup> APRIL 2019**

The event "BUDDING ENTREPRENEUR" was held in Sindhi College in association with the Incubation Cell of the commerce department. It was held on 29th April 2019 where 10 teams took part. Each team consisted of 10 students; they invested only 1000 rupees as their capital per team. The students were supposed to come up with new and innovative ideas to sell their products. Few teams had kept chaat stalls, fruit salad stalls, juice stalls, game stalls and much more. The stalls had unique names like- Chatpata chaats, Minutes and Makes, Brain Freezers and Yumville.

This successful event was held with a goal of inducing entrepreneurial skills in the students and helps them gain the experience and knowledge practically. The Final Year B.Com class teachers Prof.Grace & Prof.Kumar coordinated the event. The Event was organised with the guidance of Prof. Jayashree Tambad, HOD-Commerce with association with Prof.Sri Hari, Incubation Centre Co-ordinator.

The event was inaugurated By Dr. B.S Srikanta, Principal & Prof.Asha N. Vice-Principal.

The Students at the end of the day earned good return on investment i.e., 50%.  
The Take aways from the event the students enriched the practical exposure to become successful entrepreneurs.
