FDP ON RESEARCH METHODOLOGY- “Basic Nuances In Research and Art of Publishing Top-Tier Journals”

FDP on “Research Methodology- Basic nuances in Research and Art of publishing top-tier” was held in the seminar hall of the college on 28 October, 2015. The resource person was Dr. Benny Godwin J, who has vast research experience and has published several articles in national and international level. He is currently working as a professor at PG and research department of management studies, Hindustan College of arts science, Coimbatore. The objective of this programme was to pay attention to the research methodology and it will enable the research to develop the most appropriate methodology for their research studies.

He began his talk on the basic research choosing topic from chemistry. He further elaborately focused on plagiarism. Providing information on source and citation would help further build on the work. He mentioned several citation styles such as APA, Harvard, MLA, AMA, etc. and any of these can be followed by the researcher’s.

He further focused his presentation on the significance of literature which is the major domain for researchers. The art of publishing articles in international journals was dealt in detail. The different methods of writing subtitles for the research articles , developing a research articles, developing a research model were also discussed.

The workshop is very informative and provided a comprehensive insight into the topic. The programme concluded with the vote of thanks proposed by prof. Tirumala of the commerce dept.

Dr.Benny Godwin’s session on Research Methodology

Workshop on “Writing Effective Literature Review in Social Science”

PG Department, organised one day workshop on “**Writing Effective Literature Review in Social Science**” in the college Seminar Hall on 27/6/2015 from 10 am to 4.30p.m. Dr. M M Bagali, Professor, from Jain University, Bangalore was the resource person. The workshop mainly focused on how to formulate the literature and write it effectively. This workshop helped the students to find the research gap through the literature review and frame the research questions/issues and transforming them into researchable objectives and formulation of Hypothesis. 32 students of M.Com were attended and learnt to know how to do literature reviews in the research paper and research project.
