The journey of this trekking started on 10th February 2023 at 6AM. This was the first trekking in NCC for all of us, a complete new journey. The departure time from college was 7AM. We all enjoyed our breakfast at 8:45AM at a place which was nearby shivagange hills. We reached our destination by 9:30AM, before starting trekking we got few instructions by ANO sir. We started trekking at 10AM. We had lots of excitement to reach the peak point. We had lots of enjoyment and ups and downs while trekking. We visited the Gavigangadhareshwara Temple which was inside a cave mid-trekking. Around 11:30 AM, we reached the peak point of Nandi statue which was aesthetic, the experience we got trekking Nandi statue was too amazing. The Nandi statue viewpoint is crowded with people almost always and there's always a risk of an accident. We recommend high caution. We got to know that lunch will be provided to all the devotees from 12PM to 4PM. So we decided to have our lunch at the temple itself. We found a pleasant place opposite of the temple, we spent some time, sharing all our experiences over there and we left to the college at 3PM.
