Introduction

The Sindhi College was founded by the Sindhi Seva Samiti mainly to provide College level education to the students of Sindhi High School and also to the students of other schools. This Institution draws its inspiration and guidance from the Sindhi Seva Samiti known for its philanthropic disposition. Started in 1994, the institution is well set on its path for fulfilling its lofty objectives and has already made its mark in the field of academic excellence.

Aims and Objectives

This institution aims to provide the right environment for the development of the full potential of the student, by

- a) Stimulating creativity and a love for learning
- b) Cultivating qualities of understanding, goodwill and co-operation.
- c) Imbibing an awareness of the socio-economic needs of the community.
- d) Nurturing a vision for national and universal integration.

Sindhi Seva Samiti is inspired by a vision drawn from the life and teachings of great Indian Educationists. It is based on the principles of character building.

Openness to Growth

- A student is expected to mature as a person emotionally, intellectually, socially and spiritually to a level that reflects responsibility for his / her own growth as opposed to a passive, drifting and laissez-faire attitude. The student must begin to reach out towards his development, seeking opportunities to stretch his mind, imagination, feelings and religious consciousness. One needs to learn to move beyond self-interest or self-centeredness in relation to others and to reflect the confidence and freedom of a mature person.

- A mastery of academic requirements for advanced forms of education is to be cultivated. The student needs to see the need for intellectual integrity in a personal quest for truth and justice. This would mean, that the ‘Sindhian’ is expected to develop intellectual skills and understanding which cut across and go beyond academic requirements.
- The primary aim of our education is to strengthen our base for academic excellence. The academic excellence does not merely remain at the level of high percentage results, but to the extent we are able to train persons in various strata of knowledge. This is done through various associations and activities which are greatly intellectual oriented such as quiz, debate, lecture contest and the like. The interest of the teachers and the encouragement of the Management have led to the growth of this academic atmosphere. All in all, academic excellence has been the prime aim of Sindhi Seva Samiti.
- The Samiti expects its students to develop a patriotic spirit. This would mean a deep understanding of the cultural heritage of the country and the capacity to rise above parochial, communal, regional feelings and sentiments. A secular and democratic outlook with a deep loyalty to the nation and an awareness of current social, economic and political trends give the students the realization of the great task ahead of them as responsible citizens.
