Introduction:

Intellectual property is a category of property that includes intangible creation of human intellect. Intellectual property broadly encompasses Copy rights, Patents, Trademarks, Designs, Trade secrets, Trade dress and Geographical Indications.

Objectives:

1. To create awareness about IPR among faculty and students particularly in regard to copy rights.
2. To conduct workshops/seminars on IPR.
3. To encourage creative and innovative research among faculty and students leading to the creation of new knowledge, invention and ideas in all disciplines.
4. To assist faculty and students to file patents and train them in patent filing procedures.

Scope:

1. IPR cell shall guide and also assist both faculty and students of Sindhi College in copy right protection and assessment of patentability. It will also guide them to apply for patent/copy right.
2. The Faculty members and students desirous of filing an application for patent or any other IPR shall submit the details to the IPR cell to its working President/Convener duly signed by the Principal Investigator.
3. IPR cell shall scrutinize the proposal and assist the applicant to file the patent and forward the same to the concerned authority.
4. The scope of the policy is not exhaustive and subject to amendments as and when IPR cell deems it necessary.

Ownership:

The author of any work (publication), artistic work etc shall be the owner of the copy right in the work. He /She shall be free to exploit the right related to the copyright in the work.
