

## 7 Days National Level Workshop on “Writing Research Paper”

Centre for PG studies organised a 7day National level online workshop on “Writing Research Paper” from 05/04/2021 to 11/04/2021. Prof. Brijesh Singh, Associate Professor from SJB Institute of Technology, Bengaluru was the Resource Person. 156 participants from different parts of the country registered and 165 members attended the workshop. The session was very informative and useful as the speaker covered various aspects of the topic like writing review of literature, setting objectives and hypothesis, data analysis and interpretation, writing the bibliography etc.

## International Webinar on “Trademarks in a Market Influenced by AI”

Centre for PG studies organised an International Webinar on “Trademarks in a Market Influenced by AI” on 05-06-2021 at 4.00 pm for teaching and non-teaching and company professionals. Ms.Luma Abbas, Practicing Advocate, Karnataka High Court, was the resource person. The webinar concentrated on the practical implementation of IPR in today’s Pedagogical System. The discussion included the practical feasibility as well as the difficulties in “Trademarks in Markets influenced by AI” thus achieving the objective of the webinar. Furthermore, the webinar threw light on the principles and concepts of trademark law to understand whether it includes an AI System or its functions; whether the credibility of a trademark would reduce in the presence of such systems and whether there is a need to amend the existing principles.424 participants attended the webinar.

## International Webinar on "Employment Vs Employability in the Present Global Scenario"

Sindhi College, Bangalore organized an International Webinar on "Employment Vs Employability in the Present Global Scenario" on 02-08-2021 at 10:00 am in association with Aware International Institute, Kochi, Kerala. Prof. M. Ramachandra Gowda, Vice-Chancellor, Rani Channamma University, Belagavi, Karnataka inaugurated the webinar. The objective of the webinar was to equip the participants to become industry ready, to ponder upon various facets like strengthening academia-industry linkages, fostering employability through curriculum reforms, higher education and its relevance in employment. The workshop was a grand success with 300 participants from the various parts of the globe. The presentation was very interesting and insightful in driving home the fact that the upcoming graduates should have a mix of unique set of skills, abilities and qualities that will make the future graduating students stand out from the crowd. The webinar was fruitful in creating awareness about acquiring employability skills that are transferable and which help them in adapting to the changing work culture.
