ANNUAL REPORT

2017-18

This year has been very eventful year and also an year which remains permanently etched in our memory. Sri.Deepak. R. Narang, President, Sindhi Seva Samiti and Sindhi Group of Institutions received prestigious award “Sindhu Ratna” presented by Sindhi Federation of South India for his services to the society in general and Sindhi community in particular. We heartily congratulate him. The name of the college was changed from Sindhi College of Commerce to Sindhi College after obtaining necessary approvals from the state government and the university. As the college is offering courses in Science also, the old name was a misnomer creating confusion in the minds of the public. Hence the change of name was effected.

The year began on a high sounding note with the orientation programme conducted on 3rd July 2017. Both newly admitted students and parents were invited for the event. Renowned educationist Prof.E.K.Radhakrishna was the Chief Guest. He advised the students to focus on holistic development of their personality.

The college obtained recognition from UGC under section 2 (f) and 12 (B), MCOM (FA) started during this year, LIC of BU assessed the college with 80% marks for the second time (meeting on 17/3/2018). Value added programme in French Language was introduced. Detailed HR policy was prepared and published. 17 faculty Minor Research Projects approved. Library and Principal’s chamber were renovated. The college organized its First International Conference and Kavi Sammelan in Hindi during the year. The students’ strength crossed 1000 mark for the first time.

Details of all the activities organized by the college, faculty participation and achievements, students’ achievement and participation etc are recorded in the following paragraphs.
