Report of National Level Samskrita Webinar

Dr. V.B. Arathi, Director, Vibhu Academy was the Chief guest of the National Webinar organised by Department of Samskrita, Sindhi College on 29-06-21 at 11.00 a.m.

The programme was started by an invocation song by Sneha K.C of 4th Sem. B.Com followed by e-lighting of the lamp and welcome address. Welcome address was delivered by Vidwan Prof. Subrahmanya N.R. Prof. Veena Rao faculty Department of Samskrita introduced the Chief guest to the audience. Followed by Chief guest speech. Dr. V.B. Arathi started her speech, thanking the college management and principal for inviting her. From thereon it was a magical spell for 90 minutes. Each participant immersed in the intellectual and patriotic speech presented by the Chief guest. Several topics and issues were addressed during her speech.

Guest speaker pointed out that how British Rule in India dominated the will of colonised country people and methodically eliminated Samskrita and imposed English language, on the recommendations of Mac Cauley. Samskrita for ages acted as root of all languages and also as a bridge language in atleast Indian sub-continent. It served as the language to understand our culture and tradition, that was replaced by English. It is unfortunate that on alien language has become the bridge language rendering Samskrita to a 'dominate state' !

Later the speaker referred to various Saints, Rishis and Poets who have contributed towards Samskrit language enormously. During the discourse emphasis was laid on 'Prabhu Samhitha', 'Mitra Samhitha' and 'Kantha Samhitha' as three tenets of Samskrita literature. The speaker related that the works of Samskrita literature is like a Beckon to a wondering traveller in the journey of life. It shows the direction and throw light for our lives referring the "Sukha Dukhe....."

Speaker also said that Indian culture is often misunderstood by foreigners as idol worshipers. We are not just idol worshipers, we are

worshippers of ideals. Worshipping Rama people of this land are act worshipping the virtues and ideals of Sri Rama and take inspiration to focused and not getting affected by worldly miseries.

Speaker also mentioned poets like Kalidasa, Bhasa, Baana, Bha Magha, Vararuchi, Mayura, SriHarsha and other and their contribution to the literary world. The literary qualities found in the works of Kalidasa Kumarasambhava would display his excellence which is evident that he portrays the matured character of Parvathi who won the heart of Shiva after performing severe austerity and penance. Some subhashitas, were also discussed.

It was concluded thus, apart from political interest, genuine interest from the people of the land is what is required to make Samskrit as 'National language'. It was also opined that Samskrita like other Indian languages is not confined to regional identity. More than 50% of Dravidian languages have borrowed words from Samskrita lexicon. Finally it was agreed that, it would be apt and appropriate to present Samskrit as National language in front of the world communities.

Principal during his presidential address appreciated the scholarship of speaker and also thanked for accepting invitation and gracing the occasion. Principal reiterated the importance of safe guarding the treasure trove of knowledge hidden in palm scripts written in Samskrit language. He regretted for not getting an opportunity to study Samskrit and also wished to study at this age. His words had enough to inspire young students to respect and learn 'Samskrita' to save our 'Samskrita'.

435 participants were present in this Webinar. Prof. Subrahmanya Bhat thanked all the dignitaries & participants. At the end of the programme Shanthi Mantra was recited.
