International Webinar “Trademarks in a Market Influenced by AI

Centre for PG studies, organised workshop on “**International Webinar on Trademarks in a Market Influenced by AI**” on 5/6/2021 4.00 PM to for teaching and non teaching and company professionals. Miss.Luma Abbas, Practicing Advocate, Karnataka High Court, was the resource person. The Webinar concentrated on the practical implementation of IPR in today’s Pedagogical System. The Webinar included the practical feasibility as well as the difficulties in “Trademarks in Markets influenced by AI” achieving the aim of the webinar. Furthermore, the webinar threw light on the principles and concepts of trademark law to understand whether it includes an AI System or its functions: whether the credibility of a trademark would reduce in the presence of such systems and whether there is a need to amend the existing principles. Nearly 424 participants attended that webinar and have given very good feedback and also suggested that they need more such a programme.

Workshop on “Writing Research Paper”

Centre for PG studies, organised a 7-day National level online workshop on “*Writing Research Paper*” from 05/04/2021 to 11/04/2021. Prof. Brijesh Singh, Associate Professor from SJB Institute of Technology, Bengaluru was the Resource Person. There were nearly 156 participants from different parts of the contry registred and 165 members attended the workshop. The first session covered topics such as, *working in google drive; review of literature and structure of the Research paper.*

Second day of the workshop continued with clearing of doubts that arised in the first session and covered topics such as *selection of the Topic/Title of the research articles; how to write abstract; followed by, the structure of research paper for journals.* The Resoruce Person explained how to frame the questionnaire and types of questions to be incorporated.

On the third day, the Resource Person scheduled a discussion on a research problem and elaborated on the “meaning of research”, “business research, its advantages and types”, followed by the “steps in scientific research and its process.”

The object of Day 4 of the Workshop was to teach the details of sample and smapling, its types and classification. The workshop also explained about population, the steps in sampling proces, sample errors and how to calculate sample size.

On Day 5 of the workshop, the Resource Person explained about the data collection and analysis of the same in Excel, follwed by the interpretation of the same.

On the Sixth day of the workshop, the Resource Person explain how to enter the data in SPSS and how to do the analysis using the SPSS. He taught statistical anaysis such as descriptive, *Chi Square, T-test, F-test, correlation and Regression.*

On the last day of the workshop, the Resource Person cleared all the doubts of the participants. Followed by which he spoke about how to wrap up the reserach paper. He illustrated that it starts with introduction, literature review, objectives, hypothesis, analysis and suggestion. He explained how to write the references and how to publish research paper in good journals such as ugc carelist or Scopus based journals. The session was followed by collecting feedbacks from the participants. Dr. B S Srikanta, Principal of our College addressed the veledictionary speech, in which he addressed the importance of research and how reseach quality can be enhanced in our college for teachers and students. It was followed

by vote of thanks given by Dr. K Uma Maheswari, Associate professor, Centre for PG studies.
