VENUGOPAL BANGALORE KRISHNAPPA

HEAD – PROFESSIONAL SERVICES, INDIA AND MEA

Venugopal is the head of Professional services across India and MEA. As a part of his role, he is responsible for managing Key Accounts of Equifax in terms of Managing Dedicated ODC, Onsite and Offshore Centre providing Analytics and Business Intelligence Solutions and Business Development to India and MEA.

Venugopal has over 25 years of leadership and entrepreneur experiences in providing IT Consulting and solutions to Banking, Financial Services, Manufacturing and Retail Domains . Prior to joining Equifax, he has played a vital role in digitalization initiatives at Ghana, Denmark, Norway and France, Transition Head in China, Banking Product Implementation at Russia, Project Director at Singapore, Program Management at Canada, IT consultants in Fiji and Robotic Process Automation Consultant and Product Development Head in India.

He's an alumnus of Columbia Business School, New York and Leader from Indian Institute of Management, Calcutta. Venugopal has been a key speaker in IIMs, Engineering and Management institutes.

Bangalore, the IT capital of India has produced numerous IT professionals who have dominated the world for their sheer supermacy in the area through unmatched skill in the subject and natural logical ability to manipulate coding. Mr. Venugopal Krishnappa is no exception when he heads the professional services for India and the Middle East at Equifax Analytics, India along with minding his own venture as the co-founder and director of Compliment Digital Solutions Pvt Ltd.

A technocrate, an entrepreneur, and a passionate leader, Venugopal has astutely utilized his over 25 years' of leadership and entrepreneurial experience in providing IT consulting and solutions to banking, financial services, manufacturing, and retail domains. He has been a Globe Trotter who has played a vital role in digitalization initiatives at Ghana, Denmark, Norway and France. He has, very successfully, donned the roles of a transition head in China; a banking product implementor in Russia; a project director in Singapore; a program manager in Canada; an IT consultant in Fiji and a robotic process automation consultant and product development head in India.

An alumnus of Columbia Business School, New York and Indian Institute of Management, Calcutta, Venugopal has been a key speaker at almost all IIMs and other engineering and management institutes worldwide. His leadership articles are published in various chronicles & journals of high impact factor. He started his career in 1996 by providing IT solutions in earlier programming languages like JAVA, Foxpro, Dot Net, including but not limiting to data & machine learning languages and artificial intelligence. His quest for gaining knowledge reigns even today at the age of 47, making him study entrepreneurial edge and business analytics from London School of Economics.

In his new venture and business of online certification in technical and financial skills, Venugopal and his team have developed a platform to digitize the data which is likely, in all probabilities, to go live by March 2020. The thought for this new development came upon close observation of the IT industry when he saw a need to bridge the gap for the human resource and delivery teams, especially while assessing the candidates. This mismatch led him to develop a robust platform to digitize onboard process in order to fetch data accordingly.

Speaking about the business model, the team is replicating the concept that has already been successful in other countries and that is tweaking the technology to suit the requirement of untapped geographies in hope that their competitive edge is acquired gradually. The USP of the solution is reduced cost per use of the solution, which is a whopping 90 percent lower from other certification players. Moreover, the certification can be taken remotely, providing the ease of application to delivery time with no constraint of prometric centre. Although, they are in the nascent stage of the solution, they sure have the potential to be 10 million USD by 2022.

Venugopal shares his views that a start-up usually comes under strict compliances and the penalties for untimely submission is very high, forcing one to keep track of changing government regulations and IT policies. He adds that it would be good if the Government could conduct sessions and build an ecosystem to connect with entrepreneurs whereby challenges faced by them could be taken as their feedback for framing the new policies in the future.

Venugopal is passionate about latest technologies and is continuously upskilling his knowledge by going extra miles to keep himself abreast of technology and knowledge of various domains. It really has helped him to build solutions for his business without having to rely solely on other

technicians, a trait that has helped him to be the leader in the eyes of his stakeholders. Moreover, these consistent skills upgradation has helped him to develop the solutions at 50% less cost. The man deserves quodos indeed for building a technology platform that is low on development costs.

Unlike other professionals, he has not restrained himself only to his workdesk but he is equally good in sports and other activites as well. He is an avid golfer and squasher and he loves equestrian sports equally besides being an expert in salsa and waltz. He believes in having a life style so gradeur that one dies to live that life.

As a socially responsible entrepreneur, he focuses on educating underprivileged children and helps them enable their skills. He is establishing the right path for management and engineering graduates globally.

*Venugopal describes his Mission 2030 as – 'To be the top 10 Entrepreneurs of India and to be in the Top 50 Entrepreneurs in the World'*

## **Dr B S Srikanta Presently working as Principal, Sindhi College, Bengaluru**

### **What Dr Srikanta wants to say .....**

With much pride and satisfaction , I recollect my contributions in the field of higher education. My experience as teacher, researcher, principal, educational administrator and assessor has enriched my life as well as helped to serve myriad of causes

#### **Profile**

Dr B S Srikanta began his career as Lecturer in Physics at National College, in 1976 and he became one of the youngest principals in collegiate education and he adored the principalship of RBANM'S First Grade College for 27 long years till his retirement in 2014. Later, worked as Academic Director and Principal of Surana College. After a short stint at Surana College, he spent almost a year in US and made a study of community colleges.

During his stay in US, he also visited several laboratories and universities and gained adequate knowledge about the functioning US universities. He has the distinction of being one of the longest standing principals of degree colleges in India, serving for almost three decades as principal. He is an institution builder and an institution by himself.

#### **Education**

He completed his B.Sc. (Hons) and M.Sc. in Physics from Bangalore University in 1975. He carried out his research work at Raman Research Institute, an internationally acclaimed research organization leading to the award of Ph.D. degree under the guidance of Prof N.V Madhusudhana, an internationally recognized scientist. Dr Srikanta has the distinction of carrying out research in association with another internationally known Scientist Prof S. Chandrashekar.

#### **Service**

He has forty two years of teaching experience, sixteen years of research experience and about thirty years of administrative experience. In his Career, apart from teaching science, he has succeeded in teaching human values and life skills to his students which is evidenced by the fact that his students are spread across the globe holding responsible positions. He has succeeded in developing institutions, in which he has worked, in all dimensions and taking them to greater heights.

During his long stint as Principal of RBANM's College, he was able to fulfill the dream of the Founder of RBANM's institutions that "Education Empowers" to a very large extent. About eighty percent of the students were from socially, educationally and economically disadvantaged sections of the society, of which about thirty percent belonged to SC/ST category. He succeeded in bringing them to the main stream by imparting quality education and making them employable.

### **Researcher**

As a researcher, he has published sixteen research papers in international and national Journals. He has also successfully completed two UGC sponsored research projects.

As an author, he has authored eight text books for both PU and BSc classes. He has also written several articles in popular periodicals and magazines.

He also encouraged scientific zeal among his students through his motivating lectures and taking students to scientific institutions.

### **Career**

During his Career, he has held various key positions over the entire canvas of higher education and related fields during the last four decades.

In Bangalore University bodies, he has served as Member of Syndicate, Academic Council, Senate, College Development Council, Local Inquiry Committee, IQAC, BOS in Physics and Electronics, Chairman, LIC, Evaluation Monitoring Committee, Examination Planning and Monitoring Committee, Chief Squad of Examination, BOE in Physics and Electronics. In all he has served in 26 Committees in the university. He made several suggestions for improvement of administration, examination and evaluation systems in the university. He is an experienced assessor for assessment and accreditation of colleges. He has guided several colleges in the state regarding quality enhancement and sustenance in institutions as per the NAAC guidelines and this initiative by him has indeed contributed a lot towards achieving excellence.

He has also served as the President of Bangalore University First Grade College principals' Association for almost a decade till his retirement in 2014. He has also served as the President of the Federation of Degree College Principals' Associations in Karnataka and as General Secretary for 15 long years. He was responsible for the immaculate organization of several state level and national level seminars/conferences on issues concerning higher education. He succeeded in getting several issues relating to colleges and status and service conditions of principals settled at both university and government circles.

Presently, he is serving as Member and Member Coordinator of NAAC Peer Team. He has visited so far about 70 colleges in the country as Member and Member Coordinator for assessment and accreditation. He has the distinction of serving as a Member of the Committee for Revision of Guidelines for Assessment and Accreditation Constituted by NAAC in 2011, which comprised of only two principals selected among all the principals in the country.

He is a life member of several academic bodies to name a few, Indian Liquid Crystal Society, Indian Physics Association, Indian Science Congress Association. Currently he is the President of Indian Association of Physics Teachers, Bengaluru Chapter, General Secretary, Association of Retired University and College Teachers in Karnataka and Executive Committee Member, Karnataka Gandhi Smaraka Nidhi, Gandhi Bhavan.

In the Collegiate education department also, he has served as Member of various Communities which include, Selection Committee for Adharsha Sikshaka Award, Regional Level Coordination Committee for NAAC Assessment and Quality Enhancement, Subject expert in Chandana Award Selection Committee by Doordarshan Kendra. He has also served as UGC observer for NET examination for several universities.

**Discussion on TV Shows** On invitation, he has participated in TV programs on several channels as a panel member, for discussion on various issues related to scientific topics, higher education and current issues. He has also given several talks on All India Radio.

**Publications** He has participated and presented papers in international, national, state and university level seminars and conferences. He has Chaired sessions in conferences and delivered key note addresses. He was the resource person in several workshops organized by several institutions in the country

**Awards & Recognitions-conferred**

**DronaCharya Award –Life time achievement award presented by Rajasthan youth Association, UttamChand Chorodia Charitable Trust and Indian Commerce Association**

Malleshwaram, Bangalore – 560 003.

Language Known : English, Kannada, Hindi and Telugu

# Dr. JACOB CRASTA

## INTRODUCTION

Way back in 1981, Dr. Jacob Crasta founded CME Equipment & Instruments (India) Pvt. Ltd to manufacture laboratory equipment for R&D and Quality control Laboratories. After Globalization & Liberalization of Indian Economy, the growing demand for Quality/Reliability Testing of products manufactured across India presented a promising business opportunity.

This potential was realized by Dr. Jacob Crasta, a visionary who started his career in marketing of Scientific Equipment in the laboratory market of India. That was the beginning of the remarkable success story that CME is today. What essentially began as a laboratory product manufacturer has grown at a phenomenal pace over the years. Today, CME is one of the fastest growing Environmental Testing Chamber manufacturers in the Indian subcontinent. In fact, CME has earned itself an enviable reputation of being amongst the most reliable manufacturers of Environmental Test Chambers in the country providing testing solutions to various industries in the Government and Non-Government Sectors.

## CME ENVIROSYSTEMS FACILITIES

Today, the CME Group is a multi-location and a multi-faceted company with its presence all over the world. Renamed as CM Envirosystems Private Limited during 21th century, CME Group is today globally recognized as one of the leading manufacturers and exporters of new generation products of environmental testing systems based upon innovative technology with state-of-the-art manufacturing facilities at Bangalore and marketing network in place all over the world.

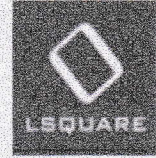

## JOINT VENTURES & PARTNERSHIPS

CME Group is rapidly expanding its product line to cater to every testing needs of the market as one-stop -shop solution provider of testing requirements. CME has established distribution network in 4 continents namely North & South America, Europe and East Asia. CME Group is now exporting its products to more than 25 Countries and planning to set up manufacturing facility outside India to meet exceeding international demand.

CME Group also ventured into Paper Honeycomb through its subsidiary arm called LSquare Eco Products Pvt. Ltd. which offers total packaging solution and is a replacement for Wooden and thermocole packaging. The Craft paper converted into a paper Honeycomb and layered with vinyl or any hard board will be stronger than wooden packaging which saves cutting of wood.

## PERSONAL PROFILE

Dr. Crasta is a Post-graduate from University of Mysore in Organic Chemistry and started his career as a Lecturer. Subsequently he worked as Sales Manager at Mumbai and later started the company M/s. C.M. Equipment & Instruments (India) Pvt. Ltd in the year 1981. He was born on 4th April 1952, in a remote Area, called Kinnigoly, near Mangalore, in an agricultural family, and married to Mrs. Rita Crasta, has two Sons, who are managing two independent Industries viz., CM Envirosystems Pvt. Ltd - Environmental Simulation Products and Lsquare Eco-Products Pvt. Ltd - Paper Honeycomb Products for Packaging, Furniture, Doors etc.

**SINDHI COLLEGE**  
**CENTRE FOR PG STUDIES**

**International Webinar “Trademarks in a Market Influenced by AI**

Centre for PG studies, organised workshop on “**International Webinar on Trademarks in a Market Influenced by AI**” on 5/6/2021 4.00 PM to for teaching and non teaching and company professionals. Miss.Luma Abbas, Practicing Advocate, Karnataka High Court, was the resource person. The Webinar concentrated on the practical implementation of IPR in today’s Pedagogical System. The Webinar included the practical feasibility as well as the difficulties in “Trademarks in Markets influenced by AI” achieving the aim of the webinar. Furthermore, the webinar threw light on the principles and concepts of trademark law to understand whether it includes an AI System or its functions: whether the credibility of a trademark would reduce in the presence of such systems and whether there is a need to amend the existing principles. Nearly 424 participants attended that webinar and have given very good feedback and also suggested that they need more such a programme.

Subject: Re: Invitation to be a Resource Person in International Webinar on IPR  
To: Luma Abbas <luma.abbas5@gmail.com>

Thank you Luma, its enough. It seems so interesting. Waiting for the day.

On Thu, 27 May 2021, 18:41 Luma Abbas, <luma.abbas5@gmail.com> wrote:  
Respected Maam,

Topic: "Trademarks in a market influenced by AI".

Conventionally trademark is known to be a commercial tool that simplifies the process of communication between the producers and consumers. Most if not all principles of trademark law include human behaviour, so much that the distinctiveness of a mark is often assessed from the point of view of an average consumer. Therefore, in a market influenced by AI technology, it is important to revisit the principles and concepts of trademark law to understand whether it includes an AI System or its functions, whether the credibility of a trademark would reduce in the presence of such systems and whether there is a need to amend the existing principles.

I hope this is sufficient.

Regards  
Luma Abbas

**Sindhi College**  
**Centre for PG studies**  
**Workshop on “Writing Research Paper”**

Centre for PG studies, organised a 7-day National level online workshop on “*Writing Research Paper*” from 05/04/2021 to 11/04/2021. Prof. Brijesh Singh, Associate Professor from SJB Institute of Technology, Bengaluru was the Resource Person. There were nearly 156 participants from different parts of the contry registred and 165 members attended the workshop. The first session covered topics such as, *working in google drive; review of literature and structure of the Research paper.*

Second day of the workshop continued with clearing of doubts that arised in the first session and covered topics such as *selection of the Topic/Title of the research articles; how to write abstract; followed by, the structure of research paper for journals.* The Resoruce Person explained how to frame the questionnaire and types of questions to be incorporated.

On the third day, the Resource Person scheduled a discussion on a research problem and elaborated on the “meaning of research”, “business research, its advantages and types”, followed by the “steps in scientific research and its process.”

The object of Day 4 of the Workshop was to teach the details of sample and smapling, its types and classification. The workshop also explained about population, the steps in sampling proces, sample errors and how to calculate sample size.

On Day 5 of the workshop, the Resource Person explained about the data collection and analysis of the same in Excel, follwed by the interpretation of the same.

On the Sixth day of the workshop, the Resource Person explain how to enter the data in SPSS and how to do the analysis using the SPSS. He taught statistical anaysis such as descriptive, *Chi Square, T-test, F-test, correlation and Regression.*

On the last day of the workshop, the Resource Person cleared all the doubts of the participants. Followed by which he spoke about how to wrap up the reserach paper. He illustrated that it starts with introduction, literature review, objectives, hypothesis, analysis and suggestion. He explained how to write the references and how to publish research paper in good journals such as ugc carelist or Scopus based journals. The session was followed by collecting feedbacks from the participants. Dr. B S Srikanta, Principal of our College addressed the veledictionary speech, in which he addressed the importance of research and how reseach quality can be enhanced in our college for teachers and students. It was followed

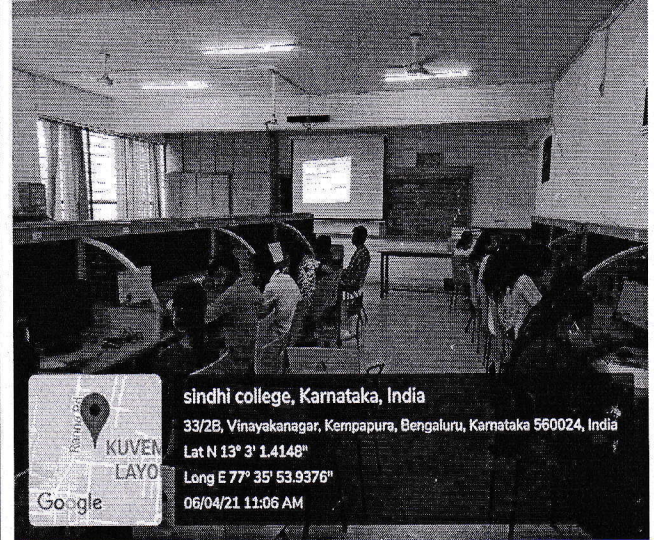

by vote of thanks given by Dr. K Uma Maheswari, Associate professor, Centre for PG studies.

## SINDHI COLLEGE

### Centre for PG Studies Organises 7 Days National level Workshop on

### “Writing Research Paper”

5<sup>th</sup> to 11<sup>th</sup> April 2021

#### About the College

Sindhi College, Bengaluru was established in the year 2002, under the aegis of Sindhi Seva Samiti, a philanthropic organization managed by the Sindhians with, "Service to human kind" as their motto and was inaugurated by Sri.L.K.ADVANI the then Deputy Prime Minister of India and Sri.S.M.Krishna the then Chief Minister of Karnataka. Since then, the growth of the Institution has been phenomenal and is recognized as one of the premier institutions not only in the city of Bengaluru but also among the other states of India. The college is permanently affiliated to Bengaluru City University. It is a self-financing, co-education college imparting quality education in the streams of Science and Commerce, offering UG and PG courses. The objective of the institution is to create an indelible mark on the canvas of higher education with a vision to expand the horizons in the realm of teaching-learning, wherein young talented students are groomed and transformed into thinkers, researchers and entrepreneurs seeking opportunities in the industry or academics. Today we have grown as one among the Top 20 Colleges" and secured ISO 9001:2015 Certification.

#### About Centre for PG Studies

Sindhi College started to offer M.Com in the year 2014. Ever since, this programme has catered to commerce aspirants who desire to build their professional competence on higher plateaus, with specialized knowledge in the fields of business and commerce. The programme aims at developing accounting, managerial and organizational skills in the learners and also promotes entrepreneurial skills. The programme opens up a plethora of career and higher study opportunities including company secretaries, chartered accountants, cost accountants, banking, finance and management professionals. At present, the department offers M.Com and M.Com (FA) courses.

#### About workshop

Seven Days Workshop is an attempt to provide 360 degree knowledge about writing a research paper using research methodology. The programme serves the best opportunity for student and research community for optimizing technology for their research enhancement. It also ensures participants gain knowledge to write a research paper and do the research projects.

**Prof. Brijesh Singh**, is working in SJB Institute of Technology, having 15 years of teaching and research experience and over 3 years of industry experience. He is expert in research. He has published research papers in Scopus and Sage.

His visionary perspective has earned him opportunities to conduct more than 30 FDPS and 60 SDPS for faculty and students respectively. He is passionate in sharing knowledge on research methodology and has 4 patents on credit and 18 UGC listed journals. Prof. Singh organized outbound training for faculty and students and also published more than 80 papers at National and International Conferences.

#### Programme Schedule

<b>Monday</b> (5/4/2021)	<b>10.00 – 10.30</b>	Inaugural Programme
	<b>10.30 - 12.30</b>	Google Drive and Review of Literature
<b>Tuesday</b> (6/4/2021)	<b>10.30 - 12.30</b>	Introduction of the Paper & Selection of the Research Paper
<b>Wednesday</b> (7/4/2021)	<b>10.30 - 12.30</b>	Designing the Questionnaire
<b>Thursday</b> (8/4/2021)	<b>10.30 - 12.30</b>	Research Framework
<b>Friday</b> (9/4/2021)	<b>10.30 - 12.30</b>	Data Analysis and Interpretation - Excel
<b>Saturday</b> (10/4/2021)	<b>10.30 - 12.30</b>	Data Analysis and Interpretation - SPSS
<b>Sunday</b> (11/4/2021)	<b>10.30 - 12.30</b>	Wrapping the whole paper

#### Programme Chairman:

Dr. B.S. Srikanta, Principal, Sindhi College

#### Chief Convener:

Prof. Asha. N, Vice Principal, Sindhi College

#### Programme Conveners

Dr.Rahul. K.Kavishwar,  
Head of the Department,

Dr. Uma Maheswari,

Associate Professor – 9900084140
