

5.4.1 : There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

The Alumni Association/ Chapters (registered and functional) contributes significantly to the development of the institution through financial and non-financial means.

We strongly believe that alumni are the cultural ambassadors of the institution and are the role models for the current students. Alumni are one of the important stakeholders and can contribute significantly both financially and non-financially to the development of the institution.

The college has established SC Alumni Association (SCAA), which was registered recently under Societies Registration Act 1960 with registration number DRB1/SOR/158/2018-19 dated 07/06/2018. Every passed out student is eligible to become a member of the Alumni Association. The organizational structure of SCAA comprises of President (EX-Officio) Working president, 4 Vice Presidents, Secretary, Joint secretary and Treasurer. Prof. R.Hemalatha, faculty member is functioning as the coordinator of the SCAA. Alumni meet is organized once a year, which gives an opportunity for the alumni to reconnect with their Alma Mater and provides them a platform to share their past and present experiences and their memories as well. During the Alumni Meet, Virtual Cultural Events are also organized. Their valuable suggestions for the development of the institution are notable through active involvement in IQAC.
