A Report on SSSAK Survey Camp

Date: 26th Dec 2021

Venue: Bhumenahalli

No. of Participants: 11 (Boys: 7; Girls: 4)

Objective:

- To carry out a survey to assess the no. of SSSAK health card holders in the village of Bhumenahalli.
- To render the service to the less privileged
- To do follow up of those who availed medical services through SSSAK.

The NSS Department along with 5 staff members of the College organised SSSAK Survey camp to carry out a survey to assess the number of SSSAK-health card holders in the village of Bhumenahalli, on 26th Dec 2021.

The volunteers were guided and instructed concerning the procedure of data collection from the villagers. The volunteers were instructed to make a brief note in the data sheets given to them, regarding the health conditions, financial status and a few more aspects of the village families.

The volunteers were expected to make sure that every house belonging to the village would get a SSSAK health card. The card provides access to cheap/free medical services assisted by SSSAK. The volunteers successfully completed the targeted number of houses on that day's survey.

In addition to this, the volunteers got an opportunity to experience of living in a village. They also had exposure to many health problems faced by the villagers due to lack of modern medical facilities and accessible connectivity

Outcome: This survey done by SSSAK, in collaboration with the NSS wing of Sindhi College has helped the villagers to access medical services at a very minimal or also for free of cost.

The journey of all the volunteers along with 5 trust members of SSSAK started from the College Premises at 7:30 am on the morning of 26th Dec 2021. After reaching the destination, the volunteers were guided and instructed concerning the procedure of data collection from the villagers. The volunteers were instructed to make a brief note in the data sheets given to them, regarding the health conditions, financial status and a few more aspects of the village families. The volunteers were expected to make sure that every house belonging to the village would get an SSSAK health card as for being able to access the cheap/free medical services assisted by SSSAK.

The volunteers successfully completed the targeted number of houses on that day's survey and in addition to this; the volunteers also got to experience and know about the consequences of living in remote villages. They also had exposure to many of the health problems faced by the villagers due to the lack of modern medical facilities and accessible connectivity.

A Report on nailing the Name plates

Date: 19th Aug, 2022

Venue: Coffee Board Layout Park

No. of Participants: 6 Male volunteers
3 female volunteers

Objective: To name the trees in coffee board layout park.

The volunteers, after their class rendered shramadaan in a different way.

Director Dr. B.S.Srikanta sir, Principal Prof. N.Asha Mam, NSS Program Officer, Prof. Vaidyesh M.A. (Dept of Management) and the Facility Manager Mr. Srinivas accompanied the students to the **nearby Coffee Board Layout Park.**

The programme aimed at maintaining continuity as far as providing medicinal uses of the trees in the park. Due to withering agents some of the boards nailed to the trees were worn out and the information was not visible. It is for this reason periodically nailing the name plates with botanical name, local name and the medicinal properties of the trees were provided to the users of the park.

This initiative of the college was appreciated by the local residents.

Outcome: The volunteers rendered much required service to the society.
