## **ENVIRONMENT DAY 2021-22**

**DATE** : 5<sup>th</sup> June, 2022

**VENUE**: Sindhi College Ground

5<sup>th</sup> June is highlighted as a red-letter day across the world and institutional bodies. The main idea behind celebrating World Environment Day was to highlight the importance of the environment and to remind the cadets that nature should not be taken for granted. The Environment Day was celebrated with enthusiasm, wherein various activities were designed for NCC cadets to perform such as planting saplings and '**ENVIRONMENT DAY DRIVE**'. Sindhi College celebrated this special day with great enthusiasm. We reported at sharp 7:00 AM and were ready and eager for this day that would be filled with learning and awareness .We brought few saplings and those saplings were fresh and healthy. Then, we dug some shallow pits in our college ground and planted the saplings after being instructed by our ANO, Lt. Shankara B P. Many quick - growing trees which do not need much water were planted on our ground. We were also made aware of how a tree sapling should be planted by selecting the right place and soil.

Later, all the cadets very passionately took part in spreading awareness among nearby localities about Environment day and its importance.

For this, our ANO had organized '**ENVIRONMENT DAY DRIVE**'. Many cadets had prepared boards and hoardings with quotes and slogans for this occasion. All of us marched for about 7Kms shouting slogans

such as “save trees, save soil, save earth”, “small hands can change the world”, “go green”, “plant saplings, save the planet” and “mannannu ulisi,bhumiyannu ulisi” which translates to “save soil, save earth”. We successfully managed to draw a lot of attention from people in nearby locality and create a positive general agenda to save trees among them.

After arriving back at the campus, all the cadets vowed to plant more saplings, save trees and hence continue spreading awareness. Realising that spreading news through internet is the fastest way to communicate and spread the idea, many volunteer cadets also took pictures and videos of cadets planting saplings and shouting slogans in order to spread awareness among fellow students and others through internet too.

The students were inspired and motivated to plant more trees in and around their own surroundings contributing to a healthier and cleaner society which in turn will make a greener Earth. **Number of NCC Cadets who participated in the activity were 18.**

## 8 KAR BN 75/A COY NATIONAL CADET CORPS

DATE: 21<sup>st</sup> June, 2022

### VENUE: Field Marshall Manekshaw Parade Ground

During the COVID-19 pandemic, when working remotely has become the new normal, yoga encourages people to remain active and have a balanced state of mind. The 7<sup>th</sup> International Yoga Day was celebrated on throughout the world. The NCC cadets of Karnataka and Goa directorate left no stone unturned to celebrate yoga day in grand way and **The NCC contingent were off 12 in attendance**. Present on the venue were DG, Karnataka and Goa, Air Cmde. B.S. Kanwar, Group Commanders of different groups across Karnataka and Goa directorate, AO, 8 Karnataka Battalion, Lieutenant Col. Amitabh Kumar and CO, 8 Karnataka Battalion, Col. Vishal Gautam. We were approximately 700 cadets spread across the parade ground in our tracksuits, all filled with enthusiasm to perform some asanas at 7 AM in the morning amidst the cool breeze and clouds blocking early sunrise.

We had access to the live recording from Mysuru where our Prime Minister, Shri Narendra Modi was performing Yoga. He first spoke about the importance of yoga and how proud he was to declare that he was performing yoga on the land that first started it. We were also told about how yoga helps our body to get in connection with our mind by the head of the Himalayan School of Traditional Yoga. There were few students from the Institute to give us demonstrations of the asanas.

We first started off with the Yoga Mantras that helped us cleanse our minds of all the thoughts we had in our heads. Then we executed some basic neck and shoulder movements to loosen our bodies. We followed our Prime Minister with all the yoga asanas that followed afterwards. These were performed step by step and the importance manual was explained to us by the Himalayan School of Traditional Yoga. The series of Asanas included Vrikshasana, Setubandhasana, Shavasana, Bhujangasana, Anantasana, Tadasana, Vajrasana, Ushtrasana and Trikonasana.

After a whole session of mind calming yoga poses, we were told to take some rest by lying down in Shavasana and concentrating on every joint of our body. We then sat back up in Padmasana and concentrated on our breathing. Then we chanted the closing mantra "Sahana Bhuvatu" which was the same as our Prime Minister was chanting. We then meditated for a few minutes as the warm sunlight fell over our bodies filling us with positive energy. It was indeed a very spiritual event and it encouraged all of us to practice yoga every single day to cleanse and calm our mind and body.
