## REPORT ON MULTILINGUAL NATIONAL CONFERENCE HELD ON 25<sup>TH</sup> AND 26<sup>TH</sup> AUGUST 2022

A two-day virtual Multilingual National Conference was organised by the department of languages on 25<sup>th</sup> and 26<sup>th</sup> August 2022. The theme of the conference was "An Escape in Literature to Overcome Existential Crisis". The inauguration of the conference witnessed a plethora of eminent academicians and participants across the country. Dr. M.K. Sridhar, Registrar SVYASA University, was the Chief Guest and Dr. Nataraj Huliya, Professor and Renowned writer, Kannada Study Centre, Bangalore University, Inana Bharathi, Bangalore was the Key Note Speaker. The programme was anchored by Dr. Padmavathy, Prof and HOD of English dept.

After the lighting of the E-Lamp and invocation song, Prof. Asha. N, Principal of the college delivered welcome address. Madam welcomed the dignitaries and enumerated the significance of organising the two-day National conference by four language departments of the college and congratulated the departments for the efforts taken in reaching academicians from places like Jammu Kashmir, Madhya Pradesh, Tamil Nadu, Kerala, Andhra Pradesh, etc.

**Prof. Asha. N- Principal**

Vidwan Subramanya Bhat, HOD of Sanskrit dept. introduced the chief guest and his vast contributions to the field of education. Dr. Murthy in his address highlighted the role played by the literatures in the lives of human beings. He further added that literature enables us to overcome the problems and challenges faced in the present day. He referred to the great epics Mahabharata and Ramayana which provided a road map to accomplish higher goals in life and also to understand the essence of our existence on this planet.

There is a wide variety of ideologies that comprise the existentialist school of thought. Although these views may vary, each is concerned with the individual and their freedom within the world and society. In the realm of philosophy, existentialism is one of those labels that came after the

Dr. B.S. Srikanta's address was followed by the presidential remarks by Dr. B.S. Srikanta, Director of the institution. Sir in his remarks congratulated the depts. for choosing a remarkable theme for the conference. After elaborating on the theme and its significance in the present world, Sir referred to Nietzsche's philosophy and said that according to Nietzsche man must accept the fact that they are part of material world, regardless of what else might exist. Sir further remarked that Kierkegaard is generally regarded as the father of existentialism, for his emphasis on individual existence—particularly religious existence—as a constant process of becoming and for his invocation of the associated concepts of authenticity, commitment, responsibility, anxiety, and dread.

Dr. B.S. Srikanta- Director

### Participants

Presidential remarks were followed by a vote of thanks proposed by Dr. Ranjana Pillai, HOD of Hindi dept.

On Day-1, English and Kannada technical sessions were held simultaneously. The technical Chairperson for English was Dr. S. Jayanthi, Research Supervisor, Asst. Professor of English,

... in order to describe a diverse set of ideas and ...  
Albert Camus and Kafka were referred and discussed in this context.

**Dr.M.K. Murthy**

After the thought provoking deliberations by the Chief Guest, the key note speaker, Dr. Nataraj Hulyiyur was introduced by Dr. Kariyanna. S, HOD of Kannada dept.

Dr. Nataraj Hulyiyur, in his key note address said that existential ideas are diverse in its perspectives. He referred to the philosophy of Sartre about human beings that define their meaning and have absolute control and freedom over all of their choices. He deliberated on Kafkaesque with reference to two great works.

*The Trial* is Kafka at his clearest and most absurd. The book follows a bank officer Josef K., who suddenly gets arrested without reason and without being able to figure out what the charge is. The book begins in a similar fashion to *The Metamorphosis*, a story in which his character Gregor Samsa is inexplicably turned into a giant bug without explanation. The key note address set the tone for the conference.
