## Student Governing Council

To nurture leadership skills in students, at the beginning of every academic year, student leaders are nominated by HODs and class teachers to form Student Government Council. These student leaders are bestowed with designations as president, vice president, cultural secretary, etc. to lead and represent others. Apart from this, there are also different houses and all the students of the college belong to one or the other house. Each house has nominated house captain and vice-captain. Investiture ceremony is observed to bestow offices to these nominated leaders. During college programmes all these selected leaders work as a team.

## **Introduction**

The Sindhi College was founded by the Sindhi Seva Samiti mainly to provide College level education to the students of Sindhi High School and also to the students of other schools. This Institution draws its inspiration and guidance from the Sindhi Seva Samiti known for its philanthropic disposition. Started in 1994, the institution is well set on its path for fulfilling its lofty objectives and has already made its mark in the field of academic excellence.

## **Aims and Objectives**

This institution aims to provide the right environment for the development of the full potential of the student, by

- a) Stimulating creativity and a love for learning
- b) Cultivating qualities of understanding, goodwill and co-operation.
- c) Imbibing an awareness of the socio-economic needs of the community.
- d) Nurturing a vision for national and universal integration.

Sindhi Seva Samiti is inspired by a vision drawn from the life and teachings of great Indian Educationists. It is based on the principles of character building.

## **Openness to Growth**

- A student is expected to mature as a person emotionally, intellectually, socially and spiritually to a level that reflects responsibility for his / her own growth as opposed to a passive, drifting and laissez-faire attitude. The student must begin to reach out towards his development, seeking opportunities to stretch his mind, imagination, feelings and religious consciousness. One needs to learn to move beyond self-interest or self-centeredness in relation to others and to reflect the confidence and freedom of a mature person.
- A mastery of academic requirements for advanced forms of education is to be cultivated. The student needs to see the need for intellectual integrity in a personal quest for truth and justice. This would mean, that the ‘Sindhian’ is expected to develop intellectual skills and understanding which cut across and go beyond academic requirements.

- The primary aim of our education is to strengthen our base for academic excellence. The academic excellence does not merely remain at the level of high percentage results, but to the extent we are able to train persons in various strata of knowledge. This is done through various associations and activities which are greatly intellectual oriented such as quiz, debate, lecture contest and the like. The interest of the teachers and the encouragement of the Management have led to the growth of this academic atmosphere. All in all, academic excellence has been the prime aim of Sindhi Seva Samiti.
- The Samiti expects its students to develop a patriotic spirit. This would mean a deep understanding of the cultural heritage of the country and the capacity to rise above parochial, communal, regional feelings and sentiments. A secular and democratic outlook with a deep loyalty to the nation and an awareness of current social, economic and political trends give the students the realization of the great task ahead of them as responsible citizens.

**SINDHI COLLEGE**  
**HUMAN RIGHTS CELL**

**Introduction:**

**HUMAN RIGHTS** are based on dignity, equality and mutual respect – regardless of your nationality, your religion or your beliefs.

**HUMAN RIGHTS** are the rights all human beings have by virtue of being human beings.

**HUMAN RIGHTS** are derived from the inherent dignity of the human person and are defined internationally, nationally and locally by various law making bodies.

**There are seven Human Rights guaranteed by Indian Constitution:**

**They are**

- **Right to Equality (Articles. 14-18)**
- **Right to Freedom (Articles. 19-22)**
- **Right against Exploitation (Articles. 23-24)**
- **Right to Freedom of Religion (Articles. 25-28)**
- **Cultural and Educational Rights (Articles. 29-30)**
- **Right to Constitutional Remedies (Articles. 32-35)**

**Purpose of establishing the Cell:**

The fundamental rights were included in the constitution because they were considered essential for the development of the personality of every individual and to preserve human dignity. The writers of the constitution regarded democracy of no avail if civil liberties, like freedom of speech and religion, were not recognized and protected by the State. According to them, democracy is, in essence, a government by opinion and therefore, the means of formulating public opinion should be secured to the people of a democratic nation. For this purpose, the constitution guaranteed to all the citizens of India the freedom of speech and expression and various other freedoms in the

firm of the fundamental rights. Having these perspectives, the institution formulated Human Rights Cell (Fundamental Rights) on Feb 4th 2019.

**Aims:** To expedite and empower the people to enjoy human rights in each and every walk of life

**Objectives of the Cell:**

- To ensure and protect human rights
- To enhance awareness and knowledge among the people in and around the college by organizing various awareness programmes
