DIRECTOR

Industrial visit: Report

Location of visit	: Nightingale's Medical Trust
Resource Person	: Ms. Sarayu Perumal, Project Co-ordinator
Course & Sem	: I, III, V SEM BA
Date	: 17 DEC 2022
Timings	: 10: 00 AM to 2:00 PM
Total Students Attended	: 40

A group of psychology students visited Nightingales Medical Trust, a dementia centre for the aged, to gain insight into the challenges faced by people with dementia and Alzheimer's disease.

Objectives:

- To educate the students about dementia and Alzheimer's disease.
- To provide students with an opportunity to interact with dementia patients.
- To sensitize students to the needs and challenges of people with dementia.
- To encourage students to support the cause of dementia patients.

Summary:

The coordinator welcomed the students and provided them with a presentation on dementia and Alzheimer's disease, including a short movie that portrayed the challenges faced by those affected by these conditions. The students were then taken on a tour of the facility to visit the patients and interact with them. The visit culminated in the students performing for the patients by singing old folk songs and dancing. The students were also invited to take an oath to be a friend of the dementia

A group of students gathered in the school cafeteria for a meeting.

Details:

Around 8:30 am, a batch of 50 students of Department of Commerce along with in charge faculties visited Ishwar cold storage at Bannerghatta in Bengaluru. This visit was mainly focussed on to understand the procedures involved in storing the perishable goods and maintaining the supply chain for the perishable goods.

HR officer explained about the storage facility they use to store the perishable goods and movement of goods in such a way that the materials won't get spoilt while transporting them to their destination. He even explained about the temperature they use to store the perishable goods and gave the experience of the storing facilities they use. He even gave the students the experience of the temperature of storing the goods so that they will come to know how the materials are kept during off season fruits.

OUTCOME OF THE VISIT: Students understood the methods and procedure of storing the perishable goods in the cold temperature. They even came to know how the materials are bought from other countries to that organisation and how they store and supply the materials to the required places.
