## CLASSROOM ACTIVITY ON PECHA KUCHA PRESENTATION

A classroom activity on Pecha Kucha presentation was conducted for 4<sup>th</sup> semester BBA students on 8<sup>th</sup> August 2023. This activity was conducted with the objective of introducing a new presentation style. To break normal PowerPoint outline and attempt new presentation formats, this type of presentation was introduced. In addition, the activity aimed at improving the oral skills and proficiency in the use of effective language among the students. The use of visually impactful images, videos and focussing on key points of presentation enabled the presenters to gain class attention and appreciation as well. Therefore, this activity which is a part of NEP formative assessment was beneficial and provided an opportunity to learn newer methods of presentation for the students of BBA.
