Report on 74th Republic Day

Date:26/01/2023

Venue: Sindhi College

Participants:123 Volunteers and 327 non volunteers

Objectives:

- To celebrate the republic day of the country.
- To inculcate Patriotism among students in general and Volunteers in particular.
- To remember the sacrifices made by the freedom fighters.
- To know about the constitution of India.
- To familiarize with Constitutional Duties, Rights and Responsibilities.

74th Republic Day celebration was observed at Sindhi College. It is indeed one of the most awaited events of the year. Sri Navin K Nichani, Hon. Joint Secretary was the chief Guest.

The event created patriotic fervor as students and faculty members came together to celebrate the 74th Republic Day of India.

Floral tribute was offered to the makers of independent India through pushpanjali to the photos of Mahatma Gandhiji and Dr. B.R. Ambedkar.

It was a proud moment for the gathering to witness the hoisting of the national flag. It is a symbol of the country's sovereignty and a reminder of the sacrifices made by the nation's heroes to keep the country safe and united. Chief Guest hoisted National flag followed by national salute.

The NCC Cadets and NSS volunteers dressed in their respective uniforms, marched in perfect unison. NCC cadets were led by Senior under Officer K Poojitha. NSS volunteers were led by senior volunteer Raju A.

Speaking on the occasion Principal Prof Asha N said "As we hoist the national flag with great enthusiasm and unity, it is important to acknowledge that our country is currently facing issues of power, corruption, and communal disharmony. As young and educated individuals, it is our responsibility to work towards addressing and overcoming these challenges. We must come together as a united force to combat corruption and promote fairness and equality for all. Through education, we have the power to create a more just and harmonious society. By standing together and working towards a common goal, we can make a positive impact and bring a change."

Chief guest Sri.NavinNichani (Hon'ble Secretary, Sindhi College) spoke on the occasion and said "I would like to extend my sincere gratitude to the management for providing me with the privilege and honor of hoisting the national flag. It was truly an awesome experience. India is one of the few countries in the world that has won its freedom without firing a single bullet and this is something we should all be proud of. However, recent events such as the money laundering case of ChandaKochhar serve as a reminder that we must remain vigilant against unethical practices in our society. The country will not spare those who engage in such activities, whether it is Vijay Mallya, NiravModi, or anyone else. We must remember that it is only through unity and collective action that we can combat these practices and build a stronger and more just nation."

Director B.S. Srikanta spoke on the occasion and highlighted the struggles of drafting the Constitution. He reminisced about the "sovereign, socialist, and secular" ideas that were incorporated into it. He highlighted the developments in India post-independence.

Later the gathering witnessed cultural performances of songs, skit and dances were performed Ex – President of Sindhi SevaSamiti Sri.MadanDoultram, Ex-Chairman Sri Prakash R Narang , Teaching and Non- Teaching staff were present in the programme

Outcome: The above mentioned objectives are achieved.

TREKKING – SHIVAGANGE HILLS

DATE: - 10th February 2023

VENUE : Shivagange Hills

The journey of this trekking started on 10th February 2023 at 6AM. This was the first trekking in NCC for all of us, a complete new journey. The departure time from college was 7AM. We all enjoyed our breakfast at 8:45AM at a place which was nearby shivagange hills. We reached our destination by 9:30AM, before starting trekking we got few instructions by ANO sir. We started trekking at 10AM. We had lots of excitement to reach the peak point. We had lots of enjoyment and ups and downs while trekking. We visited the Gavigangadhareshwara Temple which was inside a cave mid-trekking. Around 11:30 AM, we reached the peak point of Nandi statue which was aesthetic, the experience we got trekking Nandi statue was too amazing. The Nandi statue viewpoint is crowded with people almost always and there's always a risk of an accident. We recommend high caution. We got to know that lunch will be provided to all the devotees from 12PM to 4PM. So we decided to have our lunch at the temple itself. We found a pleasant place opposite of the temple, we spent some time, sharing all our experiences over there and we left to the college at 3PM.
