The resource person also discussed job opportunities, as the software's flexibility and scalability make it an ideal choice for businesses of any size or industry looking to improve their data analysis capabilities, which is extremely beneficial for students' job opportunities.

Students can invite others to collaborate with them, allowing multiple users to work on a project at the same time. On Friday, the 23rd of December 2022, a guest lecture was delivered by Dr. Gambetta D'costa and his team on the ill effects of alcohol and drug addiction. The Process of Addiction and De-Addiction

The lecture then went on to explain the process of addiction and de-addiction. Dr. D'costa discussed how addiction affects the brain's reward system, leading to compulsive drug-seeking behavior and addiction. The team also explained the steps involved in the process of addiction and de-addiction.

Treatment Plan and Support Available

The lecture emphasized the various treatment options available for addiction. Dr. D'costa and his team highlighted professional treatment, peer support, and the importance of a strong support system. They stressed the importance of seeking professional help and addressing addiction as a treatable medical condition rather than a moral failing.

The lecture concluded with Dr. D'costa inviting students struggling with addiction, or those who know someone who is, to visit his de-addiction center. He provided details about the center's facilities and how it can help individuals struggling with addiction.

TREKKING – SHIVAGANGE HILLS

DATE: - 10th February 2023

VENUE : Shivagange Hills

The journey of this trekking started on 10th February 2023 at 6AM. This was the first trekking in NCC for all of us, a complete new journey. The departure time from college was 7AM. We all enjoyed our breakfast at 8:45AM at a place which was nearby shivagange hills. We reached our destination by 9:30AM, before starting trekking we got few instructions by ANO sir. We started trekking at 10AM. We had lots of excitement to reach the peak point. We had lots of enjoyment and ups and downs while trekking. We visited the Gavigangadhareshwara Temple which was inside a cave mid-trekking. Around 11:30 AM, we reached the peak point of Nandi statue which was aesthetic, the experience we got trekking Nandi statue was too amazing. The Nandi statue viewpoint is crowded with people almost always and there's always a risk of an accident. We recommend high caution. We got to know that lunch will be provided to all the devotees from 12PM to 4PM. So we decided to have our lunch at the temple itself. We found a pleasant place opposite of the temple, we spent some time, sharing all our experiences over there and we left to the college at 3PM.
