WITNESSETH

WHEREAS, **KPI Consulting Services Pvt LTD (refer as Service Provider)** "Training consulting company "desires to engage **"Sindhi College"** (refers as Client) **to train their final students for their CRT program** to be known as **"Client's project"** as a work made for training, sharing knowledge on the current job market & interview; and WHEREAS,

"Sindhi College" mutually desire to set forth the terms applicable to such work; NOW, THEREFORE, for the mutual consideration set forth herein, the adequacy of which is hereby acknowledged, **"Sindhi College "**and **KPI Consulting Services Pvt LTD**, intending to be legally bound, hereby agree as follows:

Terminology:

Client (**"Sindhi College "**) , Training Provider (KPI Consulting Services **Pvt Ltd**)

Terms & Conditions

Please read these Terms and Conditions carefully as they will form a contract between us and you;
your acceptance of which is agreed from the moment you sign our Competence Development Agreement or Support Agreement based upon proposal submission. We have tried to keep these Terms and Conditions brief, easy to understand, and as straightforward as possible. If you have any questions however, please do not hesitate to contact us: 8123000180 or email: Ganguli@consultkpi.com
 All communications/correspondences are generally done via emails.

A memorandum of understanding (MoU)
Scope of Work

This is with reference to your enquiry on Career Orientation Programme or soft skills Training for 200 students (Minimum Guaranteed Number of payment) 3 batches & each batch consist of 60 students from your esteemed Institute; I have enclosed required details in our below solution document. We can assign below multiple faculty profiles (profiles are shared); Example 2 faculties for soft skills, one Faculty (Aptitude skills) and few Industry professionals for Mock interviews who can train your students from your esteemed institution.

Innovation Park (DHI leadership center) Arekere Gate , Bannerghatta Road, Bengaluru-560076, Karnataka, India

KPI Consulting Services Private Limited

Corporate Identity Number: U74140KA2013PTC07274
MSME - 290202108346 MICRO / SERVICE, GSTIN -29AAFCK4079F1ZA
Contact number details – 0091 8123000180 | 7483827985 Email id – Info@consultkpi.com

2. **Venue-** THE CLIENT would have to decide for the venue and also provide lunch and refreshments for the participants should the need arise at their expense.

3. **Equipment** - THE CLIENT would have to provide us with computers, LCD Projectors and Audio equipment at their expense. Depending on the number of batches being trained we would intimate our requirements

4. **Methodology-** The derivative method of learning would be employed which would ensure highly interactive sessions. Management games, case studies and exercises would also play a vital role during the workshop.

5. **Resource People** - KPI CONSULTING would depute resource people who are well versed in respective areas to train, however, KPI CONSULTING reserves the right to substitute resource people in case of any unseen events taking place with the originally deputed resource people. If Any faculty is not performing as per expectations can be changed

6. **Feedback & Assessment** – Periodic basis feedback shall be captured. Pre & Post assessment shall be shared

7. **Investment to be made** – The revised non-negotiable final faculty fee would be Rs. 1500/- (Rupees One thousand five hundred only) per student for the 30 hours or 5 days workshop. (net - i.e. after deduction of all taxes etc and the amount would also attract GST). Minimum Guaranteed number would be 200.The total Investment to be made Rs 300000/- (three Lac rupees only) 18% GST would be on actual extra

8. **Attendance** - Please note that if a student attends even a single session we would be charging the full course fee. Therefore, it is responsibility of the placement officer and the college management to ensure that the students attend all sessions. KPI consulting Team is not responsible for the attendance of the students. On conformation of dates 60% of the total amount has to be paid in advance. Should the client cancel the training due to any reason the advance would not be refunded.

9. **Payment schedule** - On conformation of dates 60% of the total amount has to be paid in advance. We request you to release the balance 40% payment on the last day of the training

10. Dates – Dates once confirmed cannot be postponed or cancelled.

11. Payments – All payments are to be made out in the name of KPI Consulting payable at Bangalore only. Payment needs to done immediately post to training.

12. Confidentiality - After client has approved its project. Confidentiality shall be maintained by both parties.

13. Termination of Work - Client & vendor may, at its sole option, terminate any or all work outstanding, or any portion thereof, immediately upon written min.15 days' notice by email.

14. Jurisdiction & Disputes

    A. This Agreement shall be governed by the laws of India under Bangalore jurisdiction
    B. All disputes hereunder shall be resolved in the applicable state or civil courts of Bangalore

Soft Skills and Aptitude Training

The training classes were conducted under the **Co-ordinator ship of Prof.Sri Hari**, Placement Co-odinator. It was a 40 hours' program provided to students on soft skills and Aptitude.

It focused on personal attributes that influence how well they can work or interact with others. These skills make it easier to form relationships with people, create trust and dependability, and lead teams. Students were trained on enhancing leadership skills, teamwork, time-management, communication, problem solving and critical thinking and quantitative Aptitude Test.

The program addressed increased productivity, healthy teamwork and to develop necessary skills desired by entry level recruiters that make graduates more likely to gain the dream job and be successful in their chosen career.

Start Date of the Program	26/06/2023
End Date of the Program	01/07/2023
Total Number of Students attended the Program	200

Training Provider - KPI Consulting Services Pvt Ltd

Career Recruitment Training Program

Sindhi College, Bengaluru

We are thankful to Principal Madam Prof. Asha N , Director Sir Dr. Shrikanta B S & the entire Management for providing & sponsoring fantastic opportunity. Career Recruitment Training program was a structured initiative designed to help individuals develop the necessary skills, knowledge, and experiences to build a successful and fulfilling career. This program was a capsule program of Career Development Program (CDP) which offer final year students about presentation skills, creativity Skills, Public Speaking skills, Communication skills & grammar skills, Aptitude Skills, One-0-One real-time mock Interviews from Industry Professionals & feedback. As an outcome from these activities, Students become confident & get ready for interviews at various stages of their career journey.

OBJECTIVE

Our objective was to help students to become confident and prepare for any interviews at various stages of their journey. Parallelly, our Objective was also to enlighten every achievement of the students and instilling confidence in them while interviews, presentations or even in mock interviews. We at KPI Consulting believe that everyone has a right to aspire, and a right to a decent opportunity to realize that aspiration. This belief has inspired us through out, to provide individuals the opportunity that make all the difference.

DURATION

Five Working Days (6 hours per day) or 30 Hours Program

WHO HAD ATTENDED

This course was built for all students from BCom, BBA, BCA ,BSc & other related departments who are about to face final interviews and getting ready for early careers.

DELIVERY METHOD

- Class room sessions
- Demonstrations
- Role Plays
- Mock (One-0-One) Interviews
- Management Games
- Derivative Training Methodology
- Video Recording and Analysis

PROGRAM CONTENTS

- Personality Development
    - Looking at yourself
    - Effective listening
    - Developing Confidence & enthusiasm
    - Developing Human Relation Skills
    - Attitude awareness
    - Reaching your potential
    - Motivational power

- o Personal empowerment
- o Behavior and Assertiveness

- CV Writing Skills
  - o Difference between Biodata, CV and Resume
  - o Company Research
  - o Fundamental of CV writing
  - o Professional CV Writing

- Communication
  - o The challenge faced while communicating
  - o Grammar Skills
  - o Keeping in control of the communication process
  - o Barriers to good effective communication
  - o Listening Skills
  - o Presentation Skills

FACULTY LIST

- Zane Cuxton
- Sunitha Nair
- Suresh
- Swarnatama Ganguli
- Riya Singh
- Shiva Krishna Murthy – (In charge of Technical mock Interviews)
- Brijesh Kumar Singh – (In charge of HR mock Interviews)
- Surya N Saha – (In charge of Marketing Interviews)
- Mrinal Kanti G – (In charge of Digital Marketing mock Interviews)
- Special Thanks to Sri Hari Sir for helping us for Finance & logistics mock Interviews

Presentation & Creativity Skills

- Based on the presentation styles that students (on the Day 1 or Day 2) had delivered are quite unique and full of creativity. Students were divided in to multiple groups (Team Building) asked to build their organization with one logo, Punch line, set of key roles such as CEO, HR manager, Finance manager, Brand Manager & So forth(Roles & Responsibility) and develop their plans based on the current market trends in a short span of time.

- According to the plans, students needed to present themselves in front of audience. Example – CEO would introduce the team and organization, Finance manager would talk about merger & acquisitions plans, Budget, Funding etc. HR head would talk about recruitment, talent attract plans, Diversity, equality & Inclusion plan, Women empowerment & so on where as Brand manager would speak on promoting plans, media or channels that should be used.

- At the end of the day, these skills refer to the ability to effectively deliver information, ideas, or messages to an audience in a clear, engaging, and persuasive manner.

These skills are crucial in various professional settings, including business meetings, conferences, academic presentations, sales pitches, and public speaking engagements

Here are some the key insights that students had gained from this activity:

All the groups had chosen industries such as Healthcare & Cosmetic industry, Education, Jewelry products, Restaurant chain, Smart electric switches, amusement or entertainment, Pharma, Banking & many others.

1. Confidence and Poise: Most of the Students from BBA Bcom & BCA had exuded confidence and maintained a composed demeanor during their presentation. Some of the students were effective presenters & practiced their delivery, managed nerves, and projected a positive and professional image throughput the activity. Few of the groups tried their level best to exuberate confidence & stayed focus.

2. Clarity and Conciseness: Most of the Bcom, BBA & BCA Students communicated their ideas very clearly and concisely. Using simple language, avoiding jargon, and explaining complex concepts in a way that is easily understandable to the audience was essential. Probably on the content & technical side, BCA students were more aggressive & better prepared.

3. Verbal and Nonverbal Communication: BBA & BCom Students were effective presenters & paid attention to both verbal and nonverbal communication. This includes using an appropriate tone of voice, varying speech rate and volume, maintaining eye contact, and using gestures and body language to enhance their message. Nonverbal cues such as convey confidence, credibility, and engagement, creating a positive impression on the audience.

4. Audience Engagement: Engaging the audience throughout the presentation was crucial to maintain their attention and interest. Few of them started with a wonderful story and using storytelling techniques, they had managed to engaged the audiences. Few BBA students were really good at this.

5. Team Player, Adaptability, Flexibility: Since this was a time-bound activity, students had to be adaptable & flexible. All the more they had to prepare in an unknown group (Batches were bifurcated randomly). Intent was to segregate a batch where students had to be team player, relevant and impactful.

6. End of this activity, groups were electrified & brimmed with energy. They understood the importance of public speaking, presentation skills and showcased their arts in a time-bound activity. Since everyone in the group has to speak at least for a minute or so, everyone tried to communicated irrespective of their caliber. What really stood out was the effort from each individual who represented themselves

Detailed Training Plan

Batch was Scheduled from 26th June – 1st July ,2023

Batches were bifurcated such a way that at least 3 faculties were delivering the session at a time. Topic wise, below is the list that were covered.

DATE		BATCH-A (BCA Bsc)	BATCH-B (BBA)	BATCH-C (Bcom & BBA Logistics)

2. Which skills you want to improve by coming on this course?

Maximum candidates were looking for

- Communication Skills
- Face to face interview skills
- Group discussion techniques
- Aptitude skills
- Presentation skills

3. Which area you are looking for placement?

Maximum candidates had mentioned

- Finance & Accounting
- Marketing
- HR
- Software Development
- Logistics

4. Any other comments (Many of the candidates had shown interest in)

- Learning Fundamentals
- Time table for these CRT classes would be great
- Well, I wish I could improve my communication skills ASAP
- My communication is very bad due to which i have a hard time explaining myself i would like to seek guidance from this training
- Expecting good companies for placement
- They need to look for time management
- Great job, Excellence in Execution
- Mock test like aptitude, reasoning etc

Mock Sessions

These mock sessions for students are the practice sessions designed to simulate real-life job interview scenarios. These sessions aim to help fresh graduates or students with limited interview experience prepare for job interviews by familiarizing them with the interview process, improving their communication skills, and enhancing their confidence. Most crucial part was the feedback. Below is the sample copy of the feedback form

KPI consulting

Interviewed by HR_____ Tech _____

Innovation Park (DHI leadership center) Arekere Gate , Bannerghatta Road, Bengaluru 560076, Karnataka, India

Objectives

1. Introduction and Explanation: Begin by introducing the purpose and format of the mock session. Explain that it is a simulated job interview designed to provide practice and constructive feedback to improve interview skills.

2. Interview Scenario: Set up a scenario that reflects the type of job the candidate is preparing for. This may include providing a job description, company background, and any specific requirements or expectations.

3. Interview Questions: Prepare a set of common interview questions that candidates are likely to encounter. These questions may cover topics such as strengths and weaknesses, previous experiences, problem-solving skills, teamwork, and career goals. Use a mix of behavioral, situational, and technical questions relevant to the role.

4. Role-play: Conduct the mock interview, taking on the role of the interviewer. Encourage the candidate to respond to each question as they would in a real interview. Pay attention to their communication skills, body language, confidence, and the quality of their answers.

5. Feedback and Guidance: After each question or at the end of the interview, provide constructive feedback to the candidate. Focus on areas such as clarity of responses, organization, use of relevant examples, confidence, body language, and overall impression. Offer suggestions for improvement and provide tips on how to address specific weaknesses or challenges.

6. Q&A and Discussion: Allow the candidate to ask questions at the end of the mock session. Encourage an open discussion about the interview process, the candidate's performance, and any specific concerns or areas of improvement.

Achievements

Post these mock sessions with each individual, we achieved the below areas & shared feedback with each Individual.

1. Skill Development: Post these Mock sessions, students developed and refined their interview skills, including their ability to articulate their experiences, skills, and career aspirations effectively.

2. Confidence Building: Major purpose was to instilling confidence amongst them. By participating in these mock sessions, students gained confidence in their ability to handle interviews & significantly reduced nervousness and anxiety.

3. Awareness of Weaknesses: Mock sessions shall help candidates identify areas where they need to improvement, such as communication skills, problem-solving abilities, or specific technical knowledge.

4. Interview Practice: mock sessions provided opportunities to practice common interview questions (Technical + Marketing + HR + Finance + Logistics) and develop concise and impactful responses.

5. Feedback and Guidance: Constructive feedbacks from the interviewer shall help freshers understand their strengths and weaknesses, allowing them to focus on areas that need improvement.
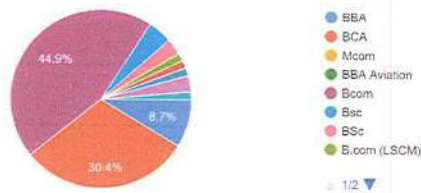

6. Familiarity with Interview Process: Mock sessions shall help candidates become familiar with the structure and dynamics of job interviews, enabling them to feel more at ease during real interviews.

How this overall CRT Program bought changes to you?

1. This program helped me develop my confidence, improve my communication skills, develop a better vocabulary and helpful tips to crack the aptitude test and the interview –
2. It was wonderful session which helps me to gain overall self-confidence.
3. Body language changes and confidence
4. This CRT program has improved my confidence level
5. It's really boosted energy to next level
6. Improvement in self-confidence, communication skills, interaction with the people
7. I learnt a lot of aptitude concepts, a lot of things about group discussions and I also learnt to answer interview questions
8. Inner Confidence and a good connection
9. Give me more ideas whats happening around
10. It was very helpful session, which motivated me to learn some skills and knowledge
11. I learnt many things like vocabulary, how to communicate, how to dress up for the interview,etc
12. Well,I would like to say I got a clear picture about the interview process

Which are the job skills that you should have? And how this CRT program will help you to build your career?

1. "Creative thinking, analytical thinking, good communication skills , leadership skills etc
2. CRT helped me a lot to identify my errors after the mock interview I attended, I am more aware about the flaws now!"

3. Through mock interviews
4. It helped me with overcoming various new question in interview.
5. Communication and confidence is important for a job
6. Good Leadership qualities
7. English communication and aptitude classes
8. Email writing, confidence while communicating, quantitative analysis to abstract situations etc
9. Vocabulary Good communication, confidence
10. This CRT programme helped me build my communication skills, creativity and problem solving.
11. Communication skills, interview skills, aptitude skills . This crt improved my all these skills.
12. CRT program helps a lot Dedication, effectiveness ,smart work.
13. "Job skills that I should have is good communication skills and adaptability.
14. CRT program helped me to Speak with confidence."
15. "Technical skills like C,C++, JAVA, python
16. CRT helped me in identifying for which part I should give importance "
17. "Communication skills
18. By learning lot of information "
19. CRT is an essential part and a vital role in our career. Some of the job skills I learnt from CRT is creativity and problem solving.
20. Communication Skill
21. "Communication skill – Learning new vocabulary words and brushing upon the previous topics and correcting the errors that we make during writing a letter or email.
22. Soft Skills – Zane Sir thought ya abt how to develop soft skill and speak boldly in front of audience and then speaking both advantages and disadvantages of the given topics in group discussion and to think and then answer abt the various perspectives of given a object to speak."
23. Excel is very important for job skills. CRT program gave me more ideas how the interview takes place and what are those which takes place in the placement cell.
24. "Communication skills – hrough speaking in front of everyone improved confidence and communication skills " Communication skills, technical skills and any more.

Feedback

1. It was good experience and had gained some knowledge and know about the current job Market
2. Gives interest training session's which is very informative
3. It was very helpful.i am confident to speak boldly... thank you
4. Great learning experience and great faculty, can be a little nicer in mock interview
5. Excellent training.. learnt a lot specially from zane sir
6. The classes were excellent and getting trained by Zane Cuxton Sir's was amazing and informative the English communication, simply Maths, aptitude test were helpful for my upcoming interviews
7. It is a good organisation, helping to build the foundation of students in the key areas of soft skills.
8. Excellent and useful
9. Overall was an insightful session
10. Amazingly conducted, enjoyed each and every activity held and learned alot of new things.
11. It is very good, really appreciated.
12. It was good and very useful now we are able to crack any interviews thankyou again
13. Interesting and this training is helping ous out to trainer our skills mentally because it plays a important role in facing interviews
14. Extremely Helpfulâ€¦ Amazing way to picturize and explain the deSlings for life.
15. Quite interesting and knowledgeable

16. Interesting and this training is helping ous out to trainer our skills mentally because it plays a important role in facing interviews
17. It's awesome a best initiative by college.
18. Really amazing , very helpful, very energetic and really motivating and n the best thing different types of activities done
19. It's a good initiative taken up by the college to help us be competent in the job market. Thr practical exercise and industry exposure is helping us build our skill set and making us job ready.
20. Just need Zane sirâ€™s support & guidance throughout our career and life.

Sample Certificate –

Sample copy of a certificate that had been issued to each student

Summary & Suggestions

The outcome of the learning intervention can have a significant impact on their professional development and career trajectory; however, it may subside if they do not continue on practicing. Here are the below common observations that we noticed during this program

1. Art of Communication: Initial goal was to fully focus on communication, active listening, and expressing ideas and concerns clearly & concisely; post to this program at least 50% – 60% of the students from these batches (1st, 2nd & 3rd batches) can successfully able to communicate

confidently during the interview. We felt that 20 – 30% from this lot are over confident in the interview and rest of them still need to work on their communication & presentation style.

2. **Increased Confidence:** Another goal was to increase confidence level during the interview & various activities those we are staged during this learning intervention. With this program, we feel 60% of the students with good communication who gained knowledge and expertise through the learning intervention, their confidence level had certainly grown by miles. They feel more prepared to face job interviews, handle workplace challenges, and take on new responsibilities. Increased confidence can now positively influence their performance and interactions in personal & professional settings.

3. **Job Readiness & off-Campus interview:** Undoubtedly students are now better prepared to enter the job market at least with basic skill set, a resume, and an understanding of how to present themselves effectively in interviews.

    i. But we felt students need to get exposed to more interviews outside of Campus. This process would enhance them to understand the current job market. This shall give a clear-cut idea about the actual job roles, salary expectations or remunerations in a better way. We felt 50-60 % students are still not at all job ready or not looking for jobs actively.

    ii. **Arranging Off-campus interviews** can make them more interested. Weekend (sat/sun) basis Many companies such as Northern Trust, EY organize interviews at their premises. It would be better idea to send them to these interviews in small numbers (Only those are ready) and keep a track of those students.

    iii. **Face the Rejection:** Sooner they face it, better it shall help for their career.

    iv. Another best thing is that 20 – 30 % of the total students (especially BBA & BCA batches) are ready to look for fulltime internships with Good brands where they should learn about the roles, gain industry knowledge and post to that they can be more aligned to the industry needs.

4. **Aware of Current Industry Roles:** This learning intervention can help students gain clarity about their career goals. But most of the students are still unaware about the Job roles and responsibilities, current industry patterns and roles. Most of the students need to undergo sessions from Industry professionals or need to undergo at least 30 days mandatory fulltime actual internships.

5. **Aptitude Skills:** With the set of aptitude skills, students are now able to gauge the question pattern and with the right amount of practice, they definitely crack the initial rounds of interview as many companies prefer aptitude test as elimination round.

6. **Super 50 Portfolio:** Esteemed Education institute like Sindhi college can build a portfolio of super 50 Students from various groups based on their communication style, Persona & diverse academic background.

    I. Start putting emphasis from the beginning of the 2nd of the academic year, will help them to grow in a sustainable way.

II.   With a through focus in participating in Management Fests/Business Quizzes outside of campus,

III.   Boosting confidence by sending invite for engaging seminars,

IV.   Full-fledged internships amongst top ranked brands

V.   Ultimately place them in 20-30% higher package than the market rate or place early from Campus. This approach will also help to create competition amongst students.

7. **Networking Opportunities:** Education institute should facilitate some networking opportunities from previous batches and the current batch students through Online/offline engagements. Engaging with industry professionals, mentors or alumni would lead to valuable connections that may result in internships, job offers, or ongoing support and guidance.

8. **Continued Learning Mindset:** Participating in one such learning intervention may not be helpful. Various recommended institutions who provide technical /soft-skills program should be welcomed in campus to demonstrate. Student can enroll for the programs based on the interest. Thus, students can recognize the importance of continuous self-improvement and seek out opportunities for ongoing professional development throughout their career.

9. **Weekly basis Professional Mentorship:** Sindhi College of Students should have easy access to mentors or industry experts who offer guidance and advice to weekly basis (at least 1 session in a week). This kind of weekly mentorship can be invaluable in navigating the early stages of a career, providing personalized support and insights that help participants make sound decisions.

10. **Emotional Intelligence & Personal Growth:** Building a mechanism with mix of professional and social Learning interventions are required for the students to strengthen the emotional intelligence and build a platform for personal growth and sustainability. This shall contribute to their personal growth throughout their career. A sense of better self-awareness, greater adaptability, and improved communication skills, which positively impact in both their personal as well as professional lives.

11. **Role of a Freelancer & upcoming Gig economy:** Building an alternate sustainable career such as YoGa Teacher, Brand Designer, Social media influencer can be fulfilling and preparedness is also crucial in upcoming gig economy.

12. **Overall,** we tried to deliver a well-executed learning intervention for freshers which can empower them to take charge of their careers, build a solid foundation of skills, and set themselves on a path towards long-term success and fulfillment.

Thank You

Designation	Trainers
Class	II Sem M.com & II Sem M.com [FA] 2022-2024 Batch
Total No. of Students	15
Program In charge	Dr. M. Jubi
Collaboration:	Edify Institute
Objective:	- From their data, students will be able to draw out important findings and show them in lively, interactive visualisations. - Advance Excel allows students to connect to a wide range of data sources, including files, databases, spreadsheets, and cloud-based apps. - To create reliable reports and dashboards that offer in-depth analysis of their business operations in real-time.

Issues / Key factors addressed:	• The creation and use of complex formulas for statistical analysis. • Data consolidation, data selection tools, a validity function, and visual representation are all included in Excel. • The highlights included power query, conditional formatting, advanced graphing, pivot tables, and flash fill tools.
Impact/ Outcome:	Advance Excel is a potent tool for businesses looking to enhance students' decision-making processes and gain a competitive edge in today's fast-paced business environment because of its sophisticated capabilities.

### VALUE-ADDED PROGRAMME REPORT FOR ADVANCE EXCEL

In order to provide a value-added curriculum for first-semester M.com and M.com [FA] students, the Centre for PG Studies at Sindhi College partnered with Edify Institute. Expertly planned and coordinated the 40-hour certification programme for Data Management and Analysis Using Advance Excel. The course was conducted between 26/6/2023 to 25/7/23 & 40 Hours. Our seasoned instructors Mr. Vignesh, Mr.Rakshith and Ms. Shreyas, who have extensive expertise as experienced specialists in training Excel, will be delivering this course. Case studies, group projects, theory, and practical exercises are all used to teach the course.

Educated students Statistical, financial, and logical database functions, conditional formatting, pivot tables, and advanced table formatting. Advance Excel's sharing feature fosters teamwork, enhances data accuracy, encrypts confidential documents and information, saves time by enabling everyone to view the same data, and can boost overall productivity.
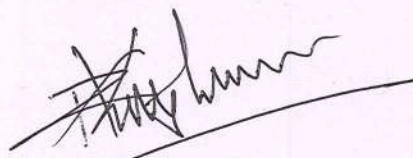

The resource person also covered employment prospects because the software is a great option for companies of any size or industry trying to enhance their data analysis capabilities, which is very advantageous for students' employment prospects. Students who successfully complete this course are given certificates.

X Thank you

Please accept our sincere thanks for the excellent support provided by SINDHI COLLEGE and staff in organizing the Advance Microsoft Excel training for MBA Students. We have received some very good responses from the attendees.

We are impressed by the facilities provided in the Session Hall for conducting the event. SINDHI COLLEGE technical and administrative staff was very skill full in handling the program. The effort of SINDHI COLLEGE team contributed appreciably to the success of the program.

The effectiveness of the interaction between the trainer and the students was enhanced by the timely support given by SINDHI COLLEGE staff during the program. We believe this program was one of the most productive ones we have has in the past.

Thank you once again for the outstanding support and professionalism shown. Looking forward to working with SINDHI COLLEGE in the future.

Request to share an opinion us regarding training program through email.

Value Added Programme

Certificate Course on Power BI

Date & Time of the Programme	19/12/23 to 29/3/23 40 Hours
Type of the Programme co-curricular /extra-curricular/ cultural/sports/NSS/NCC/Industry-Institute Interactive/ Extension Activities/ Outreach/Capacity building/ others)	Industry-Institute Interactive – Power BI Certification Program.
Name of the Resource Person	Mr. Rakshith, Ms. Priyanka, Mr. Shreyas, & Mr.Vignesh
Designation	Trainers
Class	2nd Year M.com; 2021-2023 Batch
Total No. of Students	31
Program In charge	Dr. M.Jubi
Collaboration:	Edify Institute
Objective:	- Students will be able to extract meaningful insights from their data and present them in dynamic, interactive visualizations. - Students can use Power BI to connect to a variety of data sources, including cloud-based applications, databases, spreadsheets, and files. - To develop robust reports and dashboards that provide real-time insights into their business operations.

Issues / Key factors addressed:	- Power BI data modeling and visualization - Using Power BI for Advanced Analytics - Power BI Integration with Other Microsoft Tools - Power BI allows for collaboration and sharing. - Power BI for Decision Making and Business Intelligence
Impact/ Outcome:	Power BI is a potent tool for businesses looking to enhance students' decision-making processes and gain a competitive edge in today's fast-paced business environment because of its advanced functionality.

VALUE-ADDED PROGRAMME REPORT FOR POWER BI

Sindhi College collaborated with NICT Computer Education to offer a value-added program for third-semester M.com and M.com [FA] students. Mr. Rakshith, Ms. Shreyas, and Ms. Priyanka were the trainers for the Power BI Value Added program. It is a 40-hour course and was conducted between 19/12/23 to 29/3/23. 31 students have benefitted from the course. Students learned Data Modeling and Dax Syntax, as well as visualizing data, editing report interactions, adding and linking bookmarks, and tooltips, and creating a Pivot Table from a Power BI Dataset. The software has a plethora of features that make it an excellent choice for both data analysts and business executives. Among these features are data modeling, visualization, dashboards, data transformation, and data manipulation. The resource person also discussed job opportunities, as the software's flexibility and scalability make it an ideal choice for businesses of any size or industry looking to improve their data analysis capabilities, which is extremely beneficial for students' job opportunities.

Students can invite others to collaborate with them, allowing multiple users to work on a project at the same time. Users can also collaborate and solve problems in real-time by participating in live sessions. Administrators can also manage permissions and access controls, which can be customized based on the user's role within the organization. The sharing function in Power BI promotes teamwork, improves data accuracy, saves time by allowing everyone to see the same data, and can increase overall productivity. To begin with, a value-added program on Power BI is beneficial to students' careers.

Students Training Report

POWER BI

Final Report

Prepared By

Mr. Rakshith S

MARCH

2023

I Executive Summary

This report was prepared to provide management a summary of the **POWER BI** training conducted by the Edify Institute of Computers.

II Objective

The training report objectives were:

To provide a summary of the **POWER BI** training activities that took place in SINDHI COLLEGE.

III About:

Edify Institute of Computers is a Training Institute was founded by experienced information technology professionals and instructors who decided to concentrate in the hottest and fastest growing Information Technology (IT) areas: E-Commerce, Enterprise Resource Planning (ERP), Database administration, Financial Modelling, Business Analytics, and networking. Edify expertise is not limited to IT Education but also extended to Digital marketing, Personality Development, Soft skills, Multimedia & Animations.

Edify Institute of Computers has been educating computer professionals for long time and has launched numerous successful careers in the field of information technology. Edify associated with more than Fifteen colleges in Karnataka

To attain knowledge and add skills every day is a goal that should be given to every student. Providing every student with a platform to refine his/ her skills and make a mark in the computer literate world. To sharpen one's skill and master new technologies.

Whereas,

Sindhi College, Bengaluru was established in the year 2002, under the aegis of Sindhi Seva Samiti, a philanthropic organisation managed by the Sindhis with, "Service to Human kind" as their motto

Some words from students opinions

It was better learning and excellent training!

-Rakshitha Nancy

Everything was perfect!

-Mahima

Classes were very informative

-Rakshitha KM

IX Thank You

Please accept our sincere thanks for the excellent support provided by SINDHI COLLEGE and staff in organizing the POWER BI training for M.com Students. We have received some very good responses from the attendees.

We are impressed by the facilities provided in the Session Hall for conducting the event. SINDHI COLLEGE technical and administrative staff was very skill full in handling the program. The effort of SINDHI COLLEGE team contributed appreciably to the success of the program.

The effectiveness of the interaction between the trainer and the students was enhanced by the timely support given by SINDHI COLLEGE staff during the program. We believe this program was one of the most productive ones we have has in the past.

Thank you once again for the outstanding support and professionalism shown. Looking forward to working with SINDHI COLLEGE in the future.

Request to share an opinion us regarding training program through email.

Memorandum of Understanding/Agreement for conducting training on Data Science

This Memorandum of Understanding is made on 02nd December 2022, between **"Sindhi College"** herein refer to as **COLLEGE** situated beside at # 33/2B, Kempapura, Hebbal, Bangalore and **"KnowledgeSmith Academy"** herein refer to as **INSTITUTE**, Situated at # 23, Byrathi, Bangalore

The Program for which this MOU is signed is to be known as **"Data Science"**. The above parties wish to associate to conduct the training delivered by INSTITUTE for final year BCA students. The total count of students attending this course is 40.

PRINCIPAL
SINDHI COLLEGE
#33/2B Kempapura, Hebbal,

1 | P a g e

Whereas the KnowledgeSmith Academy is desirous of undertaking the project for the training with the Sindhi College, the two parties to this Memorandum of Understanding, with the intention of both being legally bound, accept the following terms and conditions:

1. **Duration of Training:** Overall training will be conducted for 40 hours spread on 10 working days.

   Training will start in the Month of December2022.

2. **Location:** The training will be conducted at COLLEGE. The COLLEGE agrees to provide the computer

   lab and classroom needed for conducting the training.

3. INSTITUTE shall assign a coordinator, who will manage the training. Syllabus is framed and finalized

   in consultation with the faculty of the college

4. INSTITUTE shall conduct an assessment test of students to understand their domain knowledge

5. INSTITUTE shall conduct a post-training assessment course for certification.

6. INSTITUTE will provide soft copy of material used during training.

7. INSTITUTE will issue Training completion certificate for each student post completion of training.

8. COLLEGE will provide count and list of students who have enrolled for this training

9. INSTITUTE will take daily attendance of students and share with COLLEGE.

10. INSTITUTEreserves the right to stop training in case of non-payment of dues by COLLEGE.

11. INSTITUTE and COLLEGE agree that both parties shall compensate for any losses or damages done

    against each other during the training.

12. COLLEGE agrees or Training Fees of **Rs. 2500** Including GST for each student of which 50% will be

    taken one week after the commencement of the classes and rest 50% on the completion of the

    Training.

13. Payment shall be made on the name of "KnowledgeSmith Academy"

COMPLETE AGREEMENT: The above-mentioned terms and conditions constitutes complete agreement and creates entire understanding. The understanding here supersedes all prior written and verbal discussions.

Department of Computer Science

Certificate Course on Data Science

Date & Time of the Programme	1-12-2022 to 13-12-2022 & 40 Hours
Type of the Programme (co-curricular /extra-curricular/ cultural/sports/NSS/NCC/Industry-Institute Interactive/ Extension Activities/ Outreach/Capacity building/ others)	Industry-Institute Interactive – Cloud Computing
Name of the Resource Person	Arib Nawal
Designation	Technical Trainer
Class & Batch	III Year BCA & 2020 Batch
Total No. of Students	50 Students
Programme In charge	Ms.Radhika E K Head of Computer Science department
Collaboration :	KnowledgeSmith Academy
Objective :	To develop statistical methods and predictive models for user behaviour. This will also help students to implement these models into the product, and analyse the results
Issues / Key factors addressed :	• Fundamentals of Python • Libraries for DS: Panda • Libraries for DS: Matplotlib • Fundamentals of Power BI
Impact/ Outcome :	At the end of the course students learnt to build and assess data-based models.

EDUCATION

- **BE in Electronics and Telecommunication Engineering**
  SIR M VISVESVARAYA INSTITUTE OF TECHNOLOGY , BANGALORE

- **Senior Secondary (XII), Science**
  MES PROF. BR SUBBA RAO PU COLLEGE, BANGALORE

PROJECTS

- **OCR App Deployment On Cloud Platform**
  BUILD AND DEPLOY THE OPTICAL CHARACTER RECOGNITION APPLICATION ON HEROKU CLOUD PLATFORM BY USING THE PYTHON WRAPPER FOR TESSERACT, STREAMLIT APP DEPLOYMENT AND HEROKU CLI

- **Data Analysis of Solar Power Plant**
  TO PREDICT POWER GENERATION USING ADVANCED DATA VISUALIZATION TECHNIQUES AND MACHINE LEARNING MODELS TO PREDICT THE FORECASTS

- **YouTube Comments Sentiment Analysis**
  BUILT A SENTIMENT ANALYSIS MODEL TO PRINT IF THE GIVEN COMMENT IS POSITIVE OR NEGATIVE SENTIMENT AND CREATED A DASHBOARD TO VISUALIZE SENTIMENTS OF THE COMMENTS IN A YOUTUBE VIDEO OBTAINED BY USING WEB SCRAPING LIBRARY 'BEAUTIFUL SOUP'.

- **Smart Traffic Control System using Neural Networks YOLO V5**
  CUSTOM TRAINING OF OBJECTS USING YOLO V5 USING PYTORCH AND IMAGE CLASSIFICATION ALGORITHM TO DETECT IF A PERSON IS WEARING A HELMET OR NO AND UPLOAD DATA TO A DATABASE FOR THE OFFENDERS

- **Telemedicine and AI based Chatbot for helping patients recover COVID-19 patients**
  CREATED A FAQ CHATBOT USING CONVERSATIONAL AI TO HELP THE COVID-19 PATIENTS WITH INFORMATION AND NATURAL REMEDIES TO RECOVER VERY QUICKLY. IT PROVIDES THE COMPREHENSIVE LIST OF DIETS, EXERCISES AND SWIFT RECOVERY PROTOCOLS CURATED BY MEDICINE EXPERTS SO THAT THE PATIENTS DONT NEED TO CONSTANTLY RELY ON A DOCTOR.

TRAININGS/WEBINARS AND WORKSHOPS HOSTED ON

Data Science and Data Analytics	Artificial Intelligence / Machine Learning
Deep Learning/ Neural Networks	Data visualization using Tableau
Cloud Computing (AWS & Azure)	Ethical Hacking and Cyber Security
IOT using Raspberry Pi and NodeMCU	

TECHNICAL SKILLS

Data Science	Tableau & Power BI
Artificial Intelligence	Embedded and IOT
Machine Learning & DL	Cyber Security
Python	Linux fundamentals
Cloud Computing	

JOBS ROLES AND WORK EXPERIENCE

- Freelance technical trainer(2018 – Present) {Trained 5000+ students and professionals}
- Technical content creator and trainer at Diazonic Labs (Nov 2017-Nov 2020)

LIBRARIES,FRAMEWORKS AND CERTIFICATIONS

- Microsoft Azure fundamentals and Azure AI fundamentals certified(2021)
- Oracle Cloud Infrastructure Foundations 2021 Certified Associate
- Numpy and Pandas
- Data Visualization-Matplotlib, Seaborn, Plotly, Power BI and Tableau
- Scikit Learn, Keras and Tensorflow 2.0

TAKING YOU FORWARD

Course Content

1	Fundamentals of Python	- Variables lecture and coding - Data types lecture and coding - Input and Print statements - String Manipulation - If and else conditions - Data structures (list, tuple, set, dictionary) - Looping statements (while and for) - Functions
2	Libraries for DS: Numpy	- Array Creation - Array Operations - Array Aggregation - Array Functions - Random Number Generation - Indexing & Slicing Arrays - The Where Function - Sorting Arrays - Vectorization - Broadcasting
3	Libraries for DS: Panda	- Series Basics - Pandas Data Types & Type Conversion - The Series Index & Custom Indices - The .iloc Accessor - Duplicate Index Values & Resetting The Index - Filtering Series & Logical Tests - Sorting Series - Numeric Series Operations - Text Series Operations - Numerical Series Aggregation - Categorical Series Aggregation - Identifying Missing Data - Fixing Missing Data - Applying Custom Functions to Series - Pandas Where (vs. NumPy Where)

4	Libraries for DS: Matplotlib	- Intro to Matplotlib - Plotting Methods - Plotting DataFrames - Chart Titles & Font Sizes - Chart Legends - Line Styles - Axis Limits - Figure Sizes - Custom Axis Ticks - Vertical Lines - Adding Text - Line Charts - Stacked Line Charts - Bar Charts - Stacked Bar Charts - Pie & Donut Charts - Histograms
5	Libraries for DS: Beautiful soup	- Introduction to Beautiful Soup - Section Overview - Installing Beautiful Soup - How to get HTML from a Website - How to scrap a single page - Exporting Data to a text file
6	Fundamentals of Power BI	- The Interface - Initial Settings - Query Editor - Basic data cleaning - The Query Editor - Edit rows & columns - Data Types - Replacing values - Data Types, Replace & Edit rows - Text operations - Numerical operations - Creating relationships (data model)

Skill   Up-Skill   Re-Skill

Module –6 : Developing and deploying a sample static web application on Heroku/AWS

Module –7: Developing and deploying a dynamic web application on Heroku. Database management in cloud

Module –8 : Introduction to various services of AWS.
User and Role creation. Identity management. Simple Storage Service (S3).EC2 Service. Deployment of sample web application using AWS. Application security.

Module–9 : Introduction to managed Services and databases of AWS Usage of Amazon dynamo DB.

Module–10 : Mini project using AWS

Training methodology

It's combination of theoretical and practical sessions. We have introduced to a concept and used hands-on session to further strengthen their understanding of the concept.

Following assessment methodology were used to evaluate the students

1. Pre-assessment test – Random questions
2. Attendance and attentiveness in the class
3. Completion of hands-on session
4. Completion of assignments
5. Feedback
6. Post-assessment test – Written test

We have conducted a pre-assessment and post assessment test using google form. Soft copy of feedback and post assessment test is handed over to the training co-ordinator.

Skill   **Up-Skill**   **Re-Skill**

How do you rate the Hands on session of the training?

12 responses
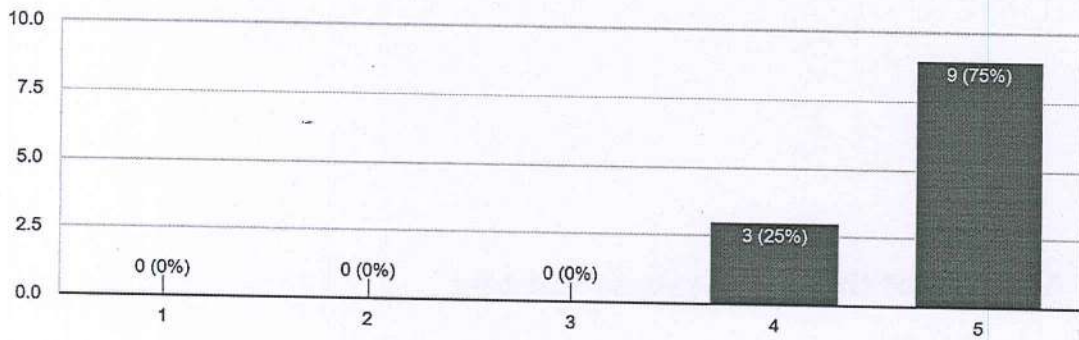

Did the session create interest to know more about the Cloud Computing?

12 responses
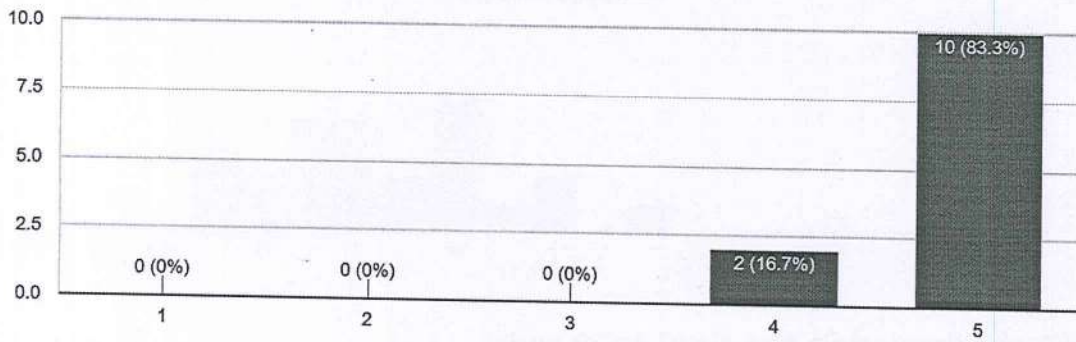

Your overall rating for the training you have attended?

Memorandum of Understanding/Agreement for conducting training on Ethical Hacking

This Memorandum of Understanding is made on 28th October 2022, between **"Sindhi College"** herein refer to as **COLLEGE** situated beside at # 33/2B, Kempapura, Hebbal, Bangalore and **"KnowledgeSmith Academy"** herein refer to as **INSTITUTE**, Situated at # 23, Byrathi, Bangalore

The Program for which this MOU is signed is to be known as **"Ethical Hacking"**. The above parties wish to associate to conduct the training delivered by INSTITUTE.

PRINCIPAL
SINDHI COLLEGE
#33/2B Kempapura, Hebbal,
Bengaluru-560 024

Whereas the KnowledgeSmith Academy is desirous of undertaking the project for the training with the Sindhi College, the two parties to this Memorandum of Understanding, with the intention of both being legally bound, accept the following terms and conditions:

1. **Duration of Training:** Overall training will be conducted for 40 hours spread on 10 working days. Training will start in the Month of November 2022.

2. **Location:** The training will be conducted at COLLEGE. The COLLEGE agrees to provide the computer lab and classroom needed for conducting the training.

3. INSTITUTE shall assign a coordinator, who will manage the training. Syllabus is framed and finalized in consultation with the faculty of the college

4. INSTITUTE shall conduct an assessment test of students to understand their domain knowledge

5. INSTITUTE shall conduct a post-training assessment course for certification.

6. INSTITUTE will provide soft copy of material used during training.

7. INSTITUTE will issue Training completion certificate for each student post completion of training.

8. COLLEGE will provide count and list of students who have enrolled for this training

9. INSTITUTE will take daily attendance of students and share with COLLEGE.

10. INSTITUTE reserves the right to stop training in case of non-payment of dues by COLLEGE.

11. INSTITUTE and COLLEGE agree that both parties shall compensate for any losses or damages done against each other during the training.

12. COLLEGE agrees or Training Fees of **Rs. 2400** Including GST for each student of which 50% will be taken one week after the commencement of the classes and rest 50% on the completion of the Training.

13. Payment shall be made on the name of "KnowledgeSmith Academy"

COMPLETE AGREEMENT: The above-mentioned terms and conditions constitutes complete agreement and creates entire understanding. The understanding here supersedes all prior written and verbal discussions.

ARBITRATION

PRINCIPAL
SINDHI COLLEGE
#33/2B Kempapura, Hebbal,
Bengaluru-560 024.

Any dispute arising with regard to any aspect of this Agreement shall be settled through mutual consultations and agreements by the parties to the Agreement.

VARIATIONS

This agreement may only be altered in writing, signed by both parties after attaining mutual understanding.

This agreement is signed by

Representative from Institute:

Name: Jyoti Kumari

Designation: Founder and Center Head, KnowledgeSmith Academy

Representative from College:

Name: ASHA. N

Designation Principal

Date: 27/10/22

Sindhi College

Department of Computer Science

Certificate Course on Ethical Hacking

Date & Time of the Programme	28-11-2022 to 13-12-2022 & 40 Hours
Type of the Programme (co-curricular /extra-curricular/ cultural/sports/NSS/NCC/Industry-Institute Interactive/ Extension Activities/ Outreach/Capacity building/ others)	Industry-Institute Interactive – Ethical Hacking
Name of the Resource Person	Mr Ameen Manna
Designation	Technical Trainer
Class & Batch	II year BCA & BSc & 2021 Batch
Total No. of Students	49 Students
Programme In charge	Ms.Radhika E K Head of Computer Science department
Collaboration :	Knowledgesmith Academy
Objective :	This course provides students with the skills and knowledge to identify and exploit vulnerabilities in various systems and applications
Issues / Key factors addressed :	• Ethical Hacking-Introduction • Setting Up a Penetration Testing and Network Security Lab • Final preparation to begin hacking • Vulnerability Scanning and Analysis • Sniffing and Spoofing the Network • Network-Based Attacks • Web Application Attacks
Impact/ Outcome :	Students learnt how to properly use ethical hacking techniques to secure own networks, protect confidential data, and mitigate threats from malicious hackers.

Report on Ethical Hacking

Value Added Program on Ethical Hacking was conducted for II year BCA students from 28-09-2022 to 08-12-2022 & 40 Hours.49 students attended the program. The course was conducted by Knowledgesmith Academy. Mr Ameen Manna was the Technical Trainer. The objective of the course is to students with skills and knowledge to identify and exploit vulnerabilities in various systems and applications of Ethical Hacking. Syllabus include

- Ethical Hacking-Introduction
- Setting Up a Penetration Testing and Network Security Lab
- Final preparation to begin hacking
- Vulnerability Scanning and Analysis
- Sniffing and Spoofing the Network
- Network-Based Attacks
- Web Application Attacks

Students learnt how to properly use ethical hacking techniques to secure own networks, protect confidential data, and mitigate threats from malicious hackers.

Course Content

1	Introduction to Ethical Hacking	• A short intro about me and how I ended up in Hacking • What are ethical hacking and their types • What are the prerequisites to become an ethical hacker • Emerging Technologies in cyber security • How cyber security rules in the next 20 years and Why? • Vulnerability Assessment Vs Penetration Testing • Hacking Methodology • Hacking Terminologies • Bug Bounty Hunters • How to Become a bug bounty hunter
2	Introduction to Penetration Testing	• Understand what penetration testing is • Understand penetration testing methodologies • Understand various penetration testing approaches • Nature of the Test (Box Testing) • Everything Is Confidential • If You Break It, You Bought It
3	Setting Up a Penetration Testing and Network Security Lab	• Why Virtualization? • Installing VirtualBox • Installing Our Vulnerable Machines • Installing Our Target Machines • Installing our Beast Machine
4	Final preparation to begin hacking	• Configuring our hacking Machine • Taking a small trip • Bash Scripting – Automate the system Updation • Elementary Linux commands • Networking Basics • Setting up a Tor browser • Working WithProxychains • Free Proxy Server • Setting up and Using a VPN • Working MAC Address
5	Network Scanning and Enumeration	• Host Discovery • Port Scanning Methods – Complete Guide • Version Detection • OS Detection

#		
		• Packet Crafting Techniques • Automating Port Scanning • Samba Enumeration • DNS enumeration • SSH enumeration • HTTP enumeration • FTP enumeration
6	Vulnerability Scanning and Analysis	• Why we do Vulnerability Scanning and why is it mandatory? • Exploring Vulnerable databases • Offline Vulnerable Databases • Online vulnerable Databases • Exploring Searchsploit • Network Vulnerability Scanning • Finding WEB Vulnerability • Finding Vulnerability in CMS • Mobile Application Vulnerability Scanning
7	Sniffing and Spoofing the Network	• Art of Sniffing • Network traffic analyzer • Sniffing your own network • Tools to sniff network traffic • ARP poisoning Attack • Spoofing Attacks – Explained (Real-time Scenario)
8	NGROK	• Difference between static and dynamic IP • Setting Up NGROK • Creating Secret Tunnel And File Hosting using NGROK
9	Network-Based Attacks	• Metasploit Framework • Importing 3rd party modules into MSF • Msfvenom Utility – Malware Creation – Method 1 • Malware Creation – Method 2 • Setting Up Listener – Method 1 • Setting Up Listener – Method 2 • Automate the process using SEToolkit • Remote Code Execution – Ransomware Exploit • Server Side Exploitation • Third-Party Exploitation Tools
10	Post Exploitation	• Help Menu • Backgrounding Our Session • Networking commands • File operation commands • Webcam Commands • Migrating to safer processes • Getting full system rights – privilege escalation • Gathering windows password using phishing • Maintaining Access – persistence Attacks
11	Password Cracking Techniques	• How password originated and why? • Importance of Using Password

		• Password Cracking Techniques • How Password Cracking works • Hashes and encoders • NTLM/ NTLMv1/v2 / Net-NTLMv1/v2 • BruteForce Attacks • Dictionary Based Attacks • Cracking windows password • Cracking Linux password
12	Netcat for Ethical Hacking	• Necat explained and it uses • Importance of Netcat • Port scanning using Netcat • Automation Using Netcat • Different flavors of Netcat • Reverse Shell using Netcat • Bind shell using Netcat
13	Social Engineering Attacks	• Why Hackers Love Social Engineering Attacks • phishing, vishing, and smishing • Social Engineering toolkit – explained • Setting Up a Phishing Campaign • Phishing Outside Network • Social engineering attacks with Powershell • Social engineering attacks with HTML Application •
14	Android Hacking	• Creating Custom Malware • Creating Listener • Post exploitation • Hacking outside network
15	Wireless Attacks	• Wireless Concepts • Cracking WPA2 • Creating Custom Password List • Getting Wifi Password Using Phishing
16	Web Application Attacks	• Owasp Top 10 Vulnerabilities • Tools for Web Application Attacks • Finding Subdomains • Finding Sub-Directories • Cross-Site Scripting Attacks • SQL Injection Attacks • File Upload Vulnerabilities • Command Injection
17	Anti-Forensics	• Covering Your Track • Clearing Attacker Logs • TimeStomping

ABOUT

Technical Trainer who is seeking an opportunity in technical field where I can utilize my exceptional communication skills and knowledge of technical field to solve and exceed performances consistently.

WORK EXPERIENCE

TECH LEAD
Tequed Labs(Bengaluru) | Feb 2018 - Present

- Delivered FDP(Faculty Development Program) sponsored by TEQIP in SJCIT(Chikkaballapur) on Machine Learning.
- Delivered FDP(Faculty Development Program) sponsored by TEQIP in BMSCE on Machine Learning and IoT.
- Conducted 1 week Internship Training Program in AMC College of Engineering(Bengaluru) and BMSCE(Bengaluru) for the students on Embedded Systems and Basic IoT.
- Delivered webinars on Machine Learning and Data Science.

TECH LEAD
Innovians Technologies(Noida) | Apr 2017 - Present

- Conducted Machine Learning Training Program in Anna University,Chennai .
- Was part of the training team, which successfully conducted seminars in various institutes.
- Was part of the designing team for various line of products including Robotics, IoT, Brainwave Robotics,Machine Learning, etc.

EDUCATION

BE IN ELECTRONICS AND INSTRUMENTATION ENGINEERING

Dayananda Sagar College of Engineering (DCSE),Bangalore

PROJECTS AND RESEARCH

- Twitter Name Changing Bot
- Automated Drilling Machine based on Programmable Logic Controller(Final Year Project)
- Facial Recognition using Opencv (Attendance Project)
- Sales Forecasting using Python
- Arduino Bluetooth Controlled RC car
- Line follower robot DIY

TAKING YOU FORWARD

Ethical Hacking – Post-Training Feedback Analysis

#	Questions
Q1	Objective of the training was clearly defined
Q2	Participation and interaction were encouraged
Q3	The topics covered were relevant to the subject
Q4	The content was organized and easy to follow
Q5	The training experience will useful for me in career
Q6	The trainer was well prepared
Q7	Trainer was able to explain and illustrate concepts
Q8	The time allotted for training was sufficient

Rating	Interpretation
5	Strongly Agree
4	Agree

Executed at Bengaluru (Karnataka) on date:-

We have come up with exhaustive training plan by considering the current academic and industrial requirements. Syllabus is framed and finalized in consultation with the faculty of the college.

Module – 1 Introduction- Objectives, From collaborative to the Cloud – A short history Client – Server Computing, Peer-to-Peer Computing, Distributed Computing, Collaborative Computing, Cloud Computing, Functioning of Cloud Computing, Cloud Architecture, Cloud Storage, Cloud Services, Industrial Applications.

Module – 2 Business Values, Introduction-Objectives, Service Modeling, Infrastructure Services, Platform Services, Software Services - Software as service modes- Massively scaled software as a service- Scale of Economy, Management and Administration.

Module –3 Inside Cloud Computing- Introduction- Objectives, Feeling Sensational about Organization, Making Strategy Decisions- Governance Issues- Monitoring Business Processes- IT Cost Management,

Module –4: Cloud Service Administration- Service Level Agreements and Monitoring-Support Services- Accounting Services, Resource Management- IT Security- Performance Management- Provisioning- Service Management, Untangling Software Dependencies.Data center and disaster recovery center

Module –5 : Types of Cloud Computing SAAS,PAAS,IAAS. Components of Cloud computing. Introduction cloud platform service providers such as AWS,Azure, Google Cloud and Heroku

Module –6 : Developing and deploying a sample static web application on Heroku/AWS

Module –7: Developing and deploying a dynamic web application on Heroku. Database management in cloud

Module –8 : Introduction to various services of AWS.
User and Role creation. Identity management. Simple Storage Service (S3).EC2 Service. Deployment of sample web application using AWS. Application security.

Module–9 : Introduction to managed Services and databases of AWS
Usage of Amazon dynamo DB.

Module–10 : Mini project using AWS

Training duration

Total training hours is 40. Time slot will be fixed on mutual agreeable terms.

Training is expected to start in November/December 2022.

Training methodology

It's combination of theoretical and practical sessions. We will introduce to a concept and use hands-on session to further strengthen their understanding of the concept.

Following assessment methodology would be performed.

1. Pre-assessment test
2. Attendance and attentiveness in the class
3. Completion of hands-on session
4. Completion of assignments
5. Feedback
6. Post-assessment test

Softcopy of the course material would be handed over to each student at the end of the course. A course certificate would be issued by Kaushalya Technical Training and Consultancy services to every student at the end of the course.

Pre-requisites

1. Every student should have their own computer system to perform hands on session. Minimum of 4 GB RAM is preferable
2. Projector,board and collar mike
3. List of students to be given by the training co-ordinator
4. We will install the required software on the given computers
5. Internet facility to be provided to download software's required for this training
6. Course content to be finalized before signing the agreement

Training Report

I am pleased to present the report on Cloud Computing Value Added Training conducted by Kaushalya Technical Training and Consultancy Services for 2nd Year BCA students of Sindhi College.

We have started the training on 28th November and training has been completed on 08thDecember. Fourty four students of the 2nd Year BCA students participated in this training. We have taken 40 hours to complete this course.Overall we are happy with the active participation of the students during the training program. We thank Computer Science Department HoD Smt. Radhika E K, principal Prof.N Asha, management of the college, staffs of the lab and administration department.

Training topics are as under.

Module – 1 Introduction- Objectives, From collaborative to the Cloud – A short history Client – Server Computing, Peer-to-Peer Computing, Distributed Computing, Collaborative Computing, Cloud Computing, Functioning of Cloud Computing, Cloud Architecture, Cloud Storage, Cloud Services, Industrial Applications.

Module – 2 Business Values, Introduction-Objectives, Service Modeling, Infrastructure Services, Platform Services, Software Services - Software as service modes- Massively scaled software as a service- Scale of Economy, Management and Administration.

Module –3 Inside Cloud Computing- Introduction- Objectives, Feeling Sensational about Organization, Making Strategy Decisions- Governance Issues- Monitoring Business Processes- IT Cost Management,

Module –4: Cloud Service Administration- Service Level Agreements and Monitoring-Support Services- Accounting Services, Resource Management- IT Security- Performance Management- Provisioning- Service Management, Untangling Software Dependencies.Data center and disaster recovery center

Module –5 : Types of Cloud Computing SAAS,PAAS,IAAS. Components of Cloud computing. Introduction cloud platform service providers such as AWS,Azure, Google Cloud and Heroku

Module –6 : Developing and deploying a sample static web application on Heroku/AWS

Module –7: Developing and deploying a dynamic web application on Heroku. Database management in cloud

Module –8 : Introduction to various services of AWS.
User and Role creation. Identity management. Simple Storage Service (S3).EC2 Service. Deployment of sample web application using AWS. Application security.

Module–9 : Introduction to managed Services and databases of AWS
Usage of Amazon dynamo DB.

Module–10 : Mini project using AWS

Training methodology

It's combination of theoretical and practical sessions. We have introduced to a concept and used hands-on session to further strengthen their understanding of the concept.

Following assessment methodology were used to evaluate the students

1. Pre-assessment test – Random questions
2. Attendance and attentiveness in the class
3. Completion of hands-on session
4. Completion of assignments
5. Feedback
6. Post-assessment test – Written test

We have conducted a pre-assessment and post assessment test using google form. Soft copy of feedback and post assessment test is handed over to the training co-ordinator.

Skill   **Up-Skill**   **Re-Skill**

Lab setup

Required software has been installed on the desktop systems in the computer lab. Students were provided good hands-on exposure.

## Analysis of the student's participation during training

About 90 % of the students took the training seriously and interacted well with the trainer. They have completed the given assignments. They have made good use of the training facility provided by the college.

Analysis of the feedback received from students.

We have received feedback from 42 students. Every one felt that training is Very good/good as it had helped them to understand Block Chain. Please find below the feedback analysis.

How do you rate the Delivery of the Training?
42 responses
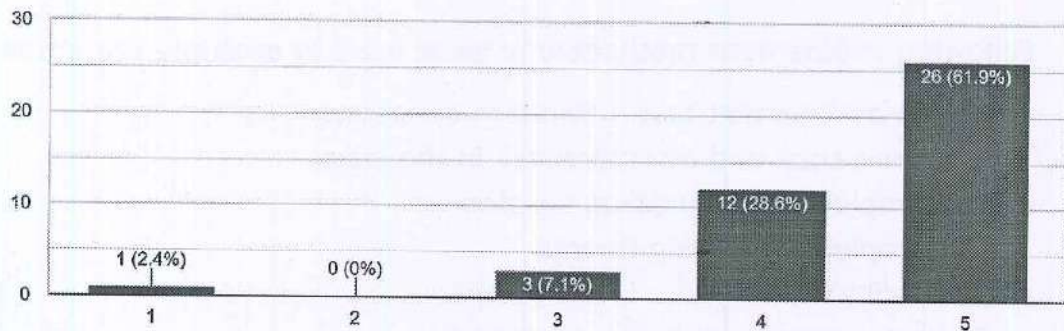

How do you rate the Hands on session of the training?
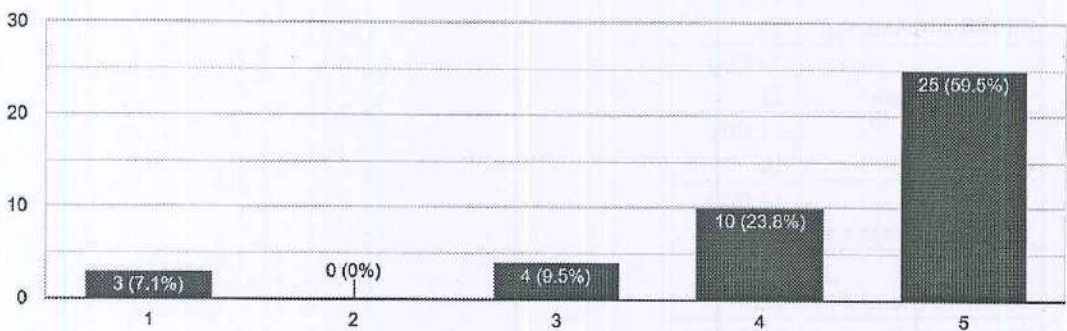

42 responses

Students Training Report

Advance Microsoft Excel

B.com Batch 2

Final Report

Prepared By

Mr. Rakshith S

AUGUST 2023

I Executive Summary

This report was prepared to provide management a summary of the **Advance Microsoft Excel** training conducted by the Edify Institute of Computers.

II Objective

The training report objectives were:

To provide a summary of the **Advance Microsoft Excel** training activities that took place in Commerce Department.

III About:

Edify Institute of Computers is a Training Institute was founded by experienced information technology professionals and instructors who decided to concentrate in the hottest and fastest growing Information Technology (IT) areas: E-Commerce, Enterprise Resource Planning (ERP), Database administration, Financial Modelling, Business Analytics, and networking. Edify expertise is not limited to IT Education but also extended to Advance Microsoft Excel, Personality Development, Soft skills, Multimedia & Animations.

Edify Institute of Computers has been educating computer professionals for long time and has launched numerous successful careers in the field of information technology. Edify associated with more than Fifteen colleges in Karnataka

To attain knowledge and add skills every day is a goal that should be given to every student. Providing every student with a platform to refine his/ her skills and make a mark in the computer literate world. To sharpen one's skill and master new technologies.

Whereas,

Sindhi College, Bengaluru was established in the year 2002, under the aegis of Sindhi Seva Samiti, a philanthropic organisation managed by the Sindhis with, "Service to Humankind" as their motto.

Excel Course Plan

About the Excel Course

Edify is offering this high impact capacity building workshop to individuals and organizations in different sectors to enable them embrace the importance of analysing data, forecasting and making decisions using Advanced Excel.

WHY THIS ADVANCED EXCEL COURSE?

Advanced Excel plays a very important role in structuring & presenting data so that it looks impressive. Once one has a good understanding of Excel features like Forecasting, Statistical Functions, Working with Dashboards Etc then it is necessary to make awesome Excel workbooks.

The role of this course is to Equip him in Technical Skills the various formulas used in Excel, how to debug them, audit them and how to use which formula for which occasion.

COURSE GOAL

This course is aimed at exposing participants to the use of Advanced Excel formulas and features in intensive data analyses.

OBJECTIVES OF THE COURSE.

1. To teach participants the advanced formulas as well as how to use which formula for which occasion.
2. To equip participants with the knowledge on how to debug and audit the advanced formulas.
3. To explore the magic of analysing data using Advanced Excel.

Microsoft Excel

Module 1

Create Worksheets & Workbook

Create of Workbook, Navigation within the Workbook (Clipboard), Import Data from De Limited Text Files, Add the Worksheet for the Existing workbook. Navigating using GOTO Special.

VISION DIGITAL INDIA
providing digital skills to all

Memorandum of Understanding

This **"Agreement"** is entered into at **Bangalore** on this 26th day of December, Two Thousand and Twenty (**"26/12/2020"**) by and between:

Vision Digital India, a unit of Imperial Group having its office at 261, 1st Floor, 9th 'A' Main, 3rd Block, Jayanagar, Bangalore – 560 011. (Hereinafter referred to as **Vision Digital India** which term includes its successors, assignees and representatives, assignees and the successors in the office), represented by its Chairman, Dr. Hari Krishna Maram

And

Sindhi College (Hereinafter referred to as **Sindhi College** which term includes its successors, assignees and representatives, assignees and the successors in the office), represented by its Principal **Dr.B.S.Srikanta**

Vision Digital India and **Sindhi College** are hereinafter collectively referred to as **"Parties"** and individually as a **"Party"**

Whereas, Vision Digital India is the only leading educational institute in India providing training in IBM certified Analytics course. The study material will be provided by IBM and the course completion certificate will be provided by Vision Digital India.

Whereas, Sindhi College is an educational institution offering graduation in Arts, Science & Commerce and host of other offerings in the education field.

Both the Parties enter into this agreement as per the below given details:

1. Vision Digital India would provide "Vocational Education Training Program (VET)", IBM Analytics for All certification as a Value Added Course for Curriculum enrichment to the students of **Sindhi College** to enable them to perform better in the area of Analytics.

2. Vision Digital India would provide certification course in IBM Analytics for a total duration of 50 hours tentatively scheduled in the month of January, 2021. The dates would be mutually discussed and will be agreed upon.

3. The training would be in the areas required by the industries and would include as per below.

PRINCIPAL
SINDHI COLLEGE
#33/2B Kempapura, Hebbal,
Bengaluru - 560 024.

Course Curriculum:

- Introduction to Business Analytics in digital Economy
- Analytics in Modern Enterprises
- Ways of importing data to work with IBM Cognos Insight
- Restructuring of data
- Create different visualizations relevant to Business uses
- Constructing a new workspace in Enterprise Business
- Different ways of formatting & entering data in reporting
- Sharing data & Publish a work space across business stake holders
- Business case studies & problem solving
- Usage of Reporting in Marketing, HR, Operations Management
- Describe the capabilities of IBM Watson Analytics
- Adding of data into Watson Analytics
- Exploring data using Watson Analytics templates in various Business Cases
- Refining or shaping the data by creating predictive models
- Creating a dashboard to monitor events and provide key insights
- Use Watson Analytics templates for easy arrangement and alignment
- Access existing workbooks in the Workspace and review sample tutorials and Use Cases in Marketing, HR, Operations etc.
- Create visualizations in a view to convey information and insights and facilitate analysis
- Understanding insights generated by Watson Analytics
- Software Skills
- Assistance in Internship & Placements will be there

4. Vision Digital India will conduct requisite number of practical tests to evaluate the performance of students and share the result with **Sindhi College**.

5. Vision Digital India would provide training to students of **Sindhi College** of all streams. The classes will be conducted at the College Computer Lab or through Online mode.

6. The Course Material will be provided by IBM through Vision Digital India. The certificate will be provided by Vision Digital India

7. Vision Digital India will be fully responsible for training the students and providing the certificate.

8. The minimum batch size should be 50 students. Once the no of students are confirmed, the invoice will be raised accordingly. Non participation by few students or dropout during the course cannot be considered for altering the invoice.

9. The list of students, batch wise, with their correct names, spell checked, has to be provided at the time of confirming the schedule of classes.

10. The dates for the Course to be mutually discussed and agreeable. The institution has to inform the dates finalized at least 15 days in advance to plan the availability of the faculty.

11. IBM Analytics Course Fees is Rs.4, 500/- (Rupees Four thousand Five Hundred only) + 18% GST per student.

12. Payment Terms: on finalizing the no of Students and the dates for the course, an invoice for 50% of the total amount will be raised by Vision Digital India, the college has to release amount as advance. On completion of the course the balance amount of 50% to be released in a week's time.

13. The payment by cheque or Bank Transfer or by DD has to be in the name of **"VISION INDIA"**

14. On successful completion, individual Certificates will be issued by VISION DIGITAL INDIA for the "Analytics"

15. Convocation will be conducted and certificates will be handed over to the students

That, the first and second parties in witnesses to the above set their hands to this agreement in the presence of the following witnesses

IN WITNES WHEREOF, the Parties have caused this Agreement to be duly executed

Dear Sir,

Greetings of the day

Sub: Course Completion Report on Analytics for BBA 3rd Year Students

We at Vision Digital India has completed Analytics course for BBA 3rd Year – 50 students from 21st November, 2022 to 13th December, 2022. In this course we covered the following topics.

1) Important of Data
2) Composition of Data
3) Data Organization and Storage
4) Working with multiple data sources.
5) Analytics and Visualizations using tools (Tableau)
6) Practical examples and assignments using real data sources
7) Project Management Outline
8) Project Documentation
9) Presentations

Thanks for providing opportunity to train your students on analytical skills.

With Regards,

Dr. Hari Krishna Maram

DAY WISE COURSE DETAILS FOR ANALYTICS FOR BBA STUDENTS

DAY 1 (Classroom)

- What is data?
- Various sources of data.
- Data storage.
- Data gathering mechanisms.
- Data sanitization.
- Data segregation.
- Identifiers within datasets

DAY 2 (Classroom)

- Determining data points to be collected with examples.
- Prepare data collection form with datasheet.
- Populate with sample data.

DAY 3 (Classroom)

- Analysis methods.
- Introduction to the different types of analytics tools.

DAY 4 (Lab)

- Introduction to Tableau Public (free version).

DAY 5 (Lab)

- Working with Sample data sets

DAY 6 (Analytics for HR) (Lab)

- Identifying data points for HR (Employee Info).

> Analytics and Visualizations.

DAY 7 (Analytics for Vendors) (Lab)

> Identifying data points for vendors with specific examples.
> Analytics and visualizations.

DAY 8 (Analytics for Customers) (Lab)

> Identifying data sources.
> Analytics and planning.

DAY 9 (Analytics for Operations) (Lab)

> Identifying data points for services.
> Data points for manufacturing.
> Analytics, planning and budgeting

DAY 10 (Analytics for Finance) (Lab)

> Identifying data points.
> Budgeting and forecasting.

DAY 11 (Classroom)

> Introduction to Project Management
> Types of Project Management

DAY 12 (Classroom)

> Documentation and its importance.
> Templates and reports.

DAY 13 (Classroom)

> Interactions and doubt clearing.

Pre-assessment and Post assessment of the Analytics course

Course Objective:

To make students aware of the importance of business analytics, how it can be applied to various department in an organization, and the various tools available to facilitate analytics and visualizations.

Course Outcome:

Students know the basics of data, analytics, visualizations, and how they can be applied to various departments in an organization to gain better insights of the resource utilization. They know the various types of available tools and how they can be used.

1. Introduction

Global Business is increasingly confronted with the need to participate and manage in a real-time digital environment. Hence businesses need to consider how to take advantage of digital technologies as a tool and potential imperative for competitive advantage and whether their current marketing strategies are coherent with strategies for the digital market. Designed to provide students with a comprehensive understanding of the impact of marketing in the digital environment, Digital Marketing targets the Web, mobile, iPads as well as social media in the context of both their technological underpinnings and facilitation of delivery mechanisms. Students investigate globalisation, adaptation, and real-time communication issues together with new forms of segmentation and an entire new paradigm of understanding consumer in this rapidly changing digital environment.

Digital Marketing is all about using data to realize marketing objectives. It is the art of using consumer insights to formulate marketing strategies targeted at groups of customers online.

Digital marketers leverage digital channels **such as search engines, social media, emails and websites to help their clients connect with existing and potential customers.** They then proceed to collect data gathered from these digital channels (such as checking the number of impressions or likes on Instagram) and Google Analytics to plan their marketing strategy.

Which need to be integrated into the curriculum of college. Students need to be trained to handle the huge marketing strategies, not only make sense out of it but learn to present the results in clear and concise form.

Edify has capability and expertise in the Digital Marketing domain. We have not only been using various marketing ideas during our own research, but we have also been conducting training programs in digital marketing using available tools. We have initiated the Digital Marketing course/workshop in several Colleges and received very encouraging response from students as well as program administrators. Our unique end to end approach in making the students go through the entire research process has resulted in providing competitive advantage to the students.

This proposal for conducting a training program on Digital Marketing, is based on our experience of conducting Digital Marketing Courses in leading college. A considerable amount of time will be invested in getting the students ready for the Digital Marketing training by assigning practical exercises. This ensures a lot 2 more understanding and imbibing of the contents. There will also be a follow up after the training program so that the learning is retained for a longer period.

2. About Edify Institute of Computers

To attain knowledge and add skills every day is a goal that should be given to every student. Providing every student with a platform to refine his/ her skills and make a mark in the computer literate world. To sharpen one's skill and master new technologies.

Our mission is to educate and train the students from the local and rural areas in India and all over the world, so that they become enlightened individuals and improve their living standards, with a foresight to the changes. and problems and pioneers to offer innovative solutions to benefit the nation and the world at large superior-class quality education.

Our vision is to emerge as a leading global academy for the sake of students to ensure success in their academic careers and assure abundant international placements for our students through our honest and diligent professional training and guidance. With our vision we create a lofty and consistent value for our students to lead them towards a global standard.

Edify Institute of Computers is a Training Institute was founded by experienced information technology professionals and instructors who decided to concentrate in the hottest and fastest growing Information Technology (IT) areas: E-Commerce, Enterprise Resource Planning (ERP), Database administration, Financial Modeling, Business Analytics, and networking. Edify expertise is not limited to IT Education but also extended to Digital marketing, Personality Development, Soft skills, Multimedia & Animations.

Digital Marketing

The marketing landscape has evolved significantly over the past decade. Brands and marketers need to consider alternative strategies and tactics to reach and connect with prospects and consumers. What worked a few years ago, may not work now, or even a few months from now. Digital marketing has become a predominant component of many marketing mixes in recent years. And now it is critical that multiple marketing channels and disciplines are leveraged together to remain relevant to the always on, always connected customer lifecycle.

Outcomes	
	Analyze the confluence of marketing, operations, and human resources in real-time delivery.
	Demonstrate cognitive knowledge of the skills required in conducting online research and research on online markets, as well as in identifying, assessing, and selecting digital market opportunities
	Explain emerging trends in digital marketing and critically assess the use of digital marketing tools by applying relevant marketing theories and frameworks.
	Investigate and evaluate issues in adapting to globalized markets that are constantly changing and increasingly networked.
	Interpret the traditional marketing mix within the context of a changing and extended range of digital strategies and tactics.
	Comprehend the importance of conversion and working with digital relationship marketing.
	Analyze cross-cultural and ethical issues in globalized digital markets

Digital Marketing Course

The marketing landscape has evolved significantly over the past decade. Brands and marketers need to consider alternative strategies and tactics to reach and connect with prospects and consumers. What worked a few years ago, may not work now, or even a few months from now. Digital marketing has become a predominant component of many marketing mixes in recent years. And now it is critical that multiple marketing channels and disciplines are leveraged together to remain relevant to the always on, always connected customer lifecycle.

Outcomes	
	Analyze the confluence of marketing, operations, and human resources in real-time delivery.
	Demonstrate cognitive knowledge of the skills required in conducting online research and research on online markets, as well as in identifying, assessing, and selecting digital market opportunities
	Explain emerging trends in digital marketing and critically assess the use of digital marketing tools by applying relevant marketing theories and frameworks.
	Investigate and evaluate issues in adapting to globalized markets that are constantly changing and increasingly networked.
	Interpret the traditional marketing mix within the context of a changing and extended range of digital strategies and tactics.
	Comprehend the importance of conversion and working with digital relationship marketing.
	Analyze cross-cultural and ethical issues in globalized digital markets

Report on Digital Marketing

Digital marketing certificate course was conducted from 17th October – 7th November 2022 for all the students of 1st semester B.Com A and B sections in two batches as a value added programme. There were a plethora of topics covered in the span of 40 hours which included marketing importance, objectives of marketing, contents of marketing etc. The sessions were highly interactive, hence making sure that all the students were involved. Every topic was followed by practical based learning. Students were presented with case studies for various topics like influencer branding and personal marketing for a holistic understanding of the subject. Trainer Mr. Rakshith and Ms. Priyanka taught the students how to build an online reputation, email etiquettes etc. Assignments and projects were given to the students and checked on a daily basis. Apart from digital marketing students learnt to build an effective video resume and do attractive power point presentations. After every session feedback was taken from the students and worked upon by the trainers. Four weeks long course was concluded with an exam and by receiving a certificate for the course completion. The total 145 students were benefitted out of this program.

Final Report

Prepared By

Mr. Rakshith S

November 2022

I Executive Summary

This report was prepared to provide management a summary of the **Digital Marketing** training conducted by the Edify Institute of Computers.

II Objective

The training report objectives were:

To provide a summary of the **Digital Marketing** training activities that took place in Commerce Department.

III About:

Edify Institute of Computers is a Training Institute was founded by experienced information technology professionals and instructors who decided to concentrate in the hottest and fastest growing Information Technology (IT) areas: E-Commerce, Enterprise Resource Planning (ERP), Database administration, Financial Modelling, Business Analytics, and networking. Edify expertise is not limited to IT Education but also extended to Digital marketing, Personality Development, Soft skills, Multimedia & Animations.

Edify Institute of Computers has been educating computer professionals for long time and has launched numerous successful careers in the field of information technology. Edify associated with more than Fifteen colleges in Karnataka

To attain knowledge and add skills every day is a goal that should be given to every student. Providing every student with a platform to refine his/ her skills and make a mark in the computer literate world. To sharpen one's skill and master new technologies.

Whereas,

Sindhi College, Bengaluru was established in the year 2002, under the aegis of Sindhi Seva Samiti, a philanthropic organisation managed by the Sindhis with, "Service to Humankind" as their motto.

IV SUBJECT DETAILS

All participants were provided with a Practical Training. A variety of learning delivery and assessment methodologies were employed, to enable the course to be participatory and interactive and to allow participants to effectively assimilate the new ideas and learning. Importantly, emphasis was placed on adult learning methodologies and over the duration of the course there were a combination of:

- Lectures
- Analysis of Case studies and class discussions of illustrative case studies
- Interactive Topic Discussions
- Individual and group work/assignments

X Students Opinion

Overall Training Rating
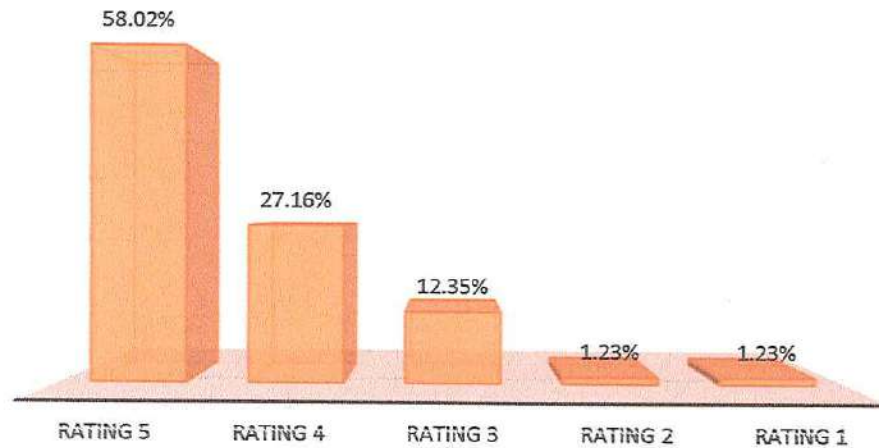

What student say...

It was good i have enjoyed a lot from these classes. For sure this classes would help me in future

- Girish SN

It was a very informative program. Teacher was a well experienced and also clarified all our queries. It was also very interactive and interesting as well

- Yashaswini N

Thank you

Please accept our sincere thanks for the excellent support provided by SINDHI COLLEGE and staff in organizing the Digital marketing training for MBA Students. We have received some very good responses from the attendees.

We are impressed by the facilities provided in the Session Hall for conducting the event. SINDHI COLLEGE technical and administrative staff was very skill full in handling the program. The effort of SINDHI COLLEGE team contributed appreciably to the success of the program.

The effectiveness of the interaction between the trainer and the students was enhanced by the timely support given by SINDHI COLLEGE staff during the program. We believe this program was one of the most productive ones we have has in the past.

Thank you once again for the outstanding support and professionalism shown. Looking forward to working with SINDHI COLLEGE in the future.

Request to share an opinion us regarding training program through email.

Final Report

Prepared By

Mr. Rakshith S

November 2022

I Executive Summary

This report was prepared to provide management a summary of the **Digital Marketing** training conducted by the Edify Institute of Computers.

II Objective

The training report objectives were:
To provide a summary of the **Digital Marketing** training activities that took place in Commerce Department.

III About:

Edify Institute of Computers is a Training Institute was founded by experienced information technology professionals and instructors who decided to concentrate in the hottest and fastest growing Information Technology (IT) areas: E-Commerce, Enterprise Resource Planning (ERP), Database administration, Financial Modelling, Business Analytics, and networking. Edify expertise is not limited to IT Education but also extended to Digital marketing, Personality Development, Soft skills, Multimedia & Animations.

Edify Institute of Computers has been educating computer professionals for long time and has launched numerous successful careers in the field of information technology. Edify associated with more than Fifteen colleges in Karnataka

To attain knowledge and add skills every day is a goal that should be given to every student. Providing every student with a platform to refine his/ her skills and make a mark in the computer literate world. To sharpen one's skill and master new technologies.

Whereas,

Sindhi College, Bengaluru was established in the year 2002, under the aegis of Sindhi Seva Samiti, a philanthropic organisation managed by the Sindhis with, "Service to Human kind" as their motto.

IV SUBJECT DETAILS

All participants were provided with a Practical Training. A variety of learning delivery and assessment methodologies were employed, to enable the course to be participatory and interactive and to allow participants to effectively assimilate the new ideas and learning. Importantly, emphasis was placed on adult learning methodologies and over the duration of the course there were a combination of:

- Lectures
- Analysis of Case studies and class discussions of illustrative case studies
- Interactive Topic Discussions
- Individual and group work/assignments

Thank you

Please accept our sincere thanks for the excellent support provided by SINDHI COLLEGE and staff in organizing the Digital Marketing training for Bcom Students. We have received some very good responses from the attendees.

We are impressed by the facilities provided in the Session Hall for conducting the event. SINDHI COLLEGE technical and administrative staff was very skill full in handling the program. The effort of SINDHI COLLEGE team contributed appreciably to the success of the program.

The effectiveness of the interaction between the trainer and the students was enhanced by the timely support given by SINDHI COLLEGE staff during the program. We believe this program was one of the most productive ones we have has in the past.

Thank you once again for the outstanding support and professionalism shown. Looking forward to working with SINDHI COLLEGE in the future.

Request to share an opinion us regarding training program through email.
