### Report on 74<sup>th</sup> Republic Day

**Date:**26/01/2023

**Venue:** Sindhi College

**Participants:**123 Volunteers and 327 non volunteers

#### **Objectives:**

- To celebrate the republic day of the country.
- To inculcate Patriotism among students in general and Volunteers in particular.
- To remember the sacrifices made by the freedom fighters.
- To know about the constitution of India.
- To familiarize with Constitutional Duties, Rights and Responsibilities.

74<sup>th</sup> Republic Day celebration was observed at Sindhi College. It is indeed one of the most awaited events of the year. Sri Navin K Nichani, Hon. Joint Secretary was the chief Guest.

The event created patriotic fervor as students and faculty members came together to celebrate the 74<sup>th</sup> Republic Day of India.

Floral tribute was offered to the makers of independent India through pushpanjali to the photos of Mahatma Gandhiji and Dr. B.R. Ambedkar.

It was a proud moment for the gathering to witness the hoisting of the national flag. It is a symbol of the country's sovereignty and a reminder of the sacrifices made by the nation's heroes to keep the country safe and united. Chief Guest hoisted National flag followed by national salute.

The NCC Cadets and NSS volunteers dressed in their respective uniforms, marched in perfect unison. NCC cadets were led by Senior under Officer K Poojitha. NSS volunteers were led by senior volunteer Raju A.

Speaking on the occasion Principal Prof Asha N said "As we hoist the national flag with great enthusiasm and unity, it is important to acknowledge that our country is currently facing issues of power, corruption, and communal disharmony. As young and educated individuals, it is our responsibility to work towards addressing and overcoming these challenges. We must come together as a united force to combat corruption and promote fairness and equality for all. Through education, we have the power to create a more just and harmonious society. By standing together and working towards a common goal, we can make a positive impact and bring a change."

Chief guest Sri.NavinNichani (Hon'ble Secretary, Sindhi College) spoke on the occasion and said "I would like to extend my sincere gratitude to the management for providing me with the privilege and honor of hoisting the national flag. It was truly an awesome experience. India is one of the few countries in the world that has won its freedom without firing a single bullet and this is something we should all be proud of. However, recent events such as the money laundering case of ChandaKochhar serve as a reminder that we must remain vigilant against unethical practices in our society. The country will not spare those who engage in such activities, whether it is Vijay Mallya, NiravModi, or anyone else. We must remember that it is only through unity and collective action that we can combat these practices and build a stronger and more just nation."

Director B.S. Srikanta spoke on the occasion and highlighted the struggles of drafting the Constitution. He reminisced about the "sovereign, socialist, and secular" ideas that were incorporated into it. He highlighted the developments in India post-independence.

Later the gathering witnessed cultural performances of songs, skit and dances were performed Ex – President of Sindhi SevaSamiti Sri.MadanDoultram, Ex-Chairman Sri Prakash R Narang , Teaching and Non- Teaching staff were present in the programme

Outcome: The above mentioned objectives are achieved.

### WOMENS' DAY REPORT-28/03/2023,10:00 am

Sindhi College celebrated "International Women's Day" on Tuesday, 28/03/2023 with great honour and pride, providing a time for reflection on the progress made towards gender equality and acknowledging the ongoing challenges faced by women around the world. This day provided an opportunity to honour the achievements of women while recognizing the work that still needs to be done to achieve true gender equity.

The program began with the lighting of a song and a melodious invocation by Mr. Bhargav (Student, Final Year BA). Prof. Sandesh Zephaniah (HOD, Department of Psychology) warmly welcomed all dignitaries, teaching and non-teaching fraternity.

During her speech, Prof. R. Sarvamangala, the Chief Guest of the program and Dean of the Department of Commerce at Bangalore University, emphasized the importance of economic independence for women's empowerment. She highlighted that many women are relegated to supporting roles in their families due to societal expectations, which fail to recognize the sacrifices they make. According to her, women should struggle for their own rights to achieve true empowerment, rather than relying on others to do so. She narrated the glorious struggles of Savitri Bhai Phule, an eminent women rights and social activist who was a pioneer of starting women education in India.

During her address, Principal Prof. Asha N emphasized that women's empowerment in India should focus on rural women who require real development. She highlighted that women's empowerment has become a mere slogan of urban setups. She said, true development can only happen when we reach a stage where we no longer need to discuss and talk about women's empowerment, as this would indicate that gender equality has been achieved. She highlighted the fact that men and women both together contribute equally for the achievement of this and shaping the beautiful destiny.

The Director Dr. B. S. Srikanta addressed the gathering and shared his perspective on gender equality. He stressed that individuals learn compassion from their mothers, behaviour and ethics from their fathers, and knowledge from their teachers. He emphasized the importance of creating a harmonious relationship between men and women to foster a healthy society. He also highlighted how societies have fought against disparities, citing examples such as women serving as Army Commanders and the recent decision by the Board of Control for Cricket in India (BCCI) to eliminate the disparity in remuneration for women's cricket to maintain parity with men's cricket. He underscored that day by day, women's empowerment is happening, and positive changes are being made to bridge the gender gap.

The program concluded with the vote of thanks by Prof. Subramanya, (HOD, Department of Sanskrit) and the felicitation of mementos presented to all the female teaching, non-teaching, and security personnel of the campus. The event was a resounding success, leaving the attendees with a sense of empowerment and renewed commitment to gender equality.

## **Introduction**

The Sindhi College was founded by the Sindhi Seva Samiti mainly to provide College level education to the students of Sindhi High School and also to the students of other schools. This Institution draws its inspiration and guidance from the Sindhi Seva Samiti known for its philanthropic disposition. Started in 1994, the institution is well set on its path for fulfilling its lofty objectives and has already made its mark in the field of academic excellence.

## **Aims and Objectives**

This institution aims to provide the right environment for the development of the full potential of the student, by

- a) Stimulating creativity and a love for learning
- b) Cultivating qualities of understanding, goodwill and co-operation.
- c) Imbibing an awareness of the socio-economic needs of the community.
- d) Nurturing a vision for national and universal integration.

Sindhi Seva Samiti is inspired by a vision drawn from the life and teachings of great Indian Educationists. It is based on the principles of character building.

## **Openness to Growth**

- A student is expected to mature as a person emotionally, intellectually, socially and spiritually to a level that reflects responsibility for his / her own growth as opposed to a passive, drifting and laissez-faire attitude. The student must begin to reach out towards his development, seeking opportunities to stretch his mind, imagination, feelings and religious consciousness. One needs to learn to move beyond self-interest or self-centeredness in relation to others and to reflect the confidence and freedom of a mature person.
- A mastery of academic requirements for advanced forms of education is to be cultivated. The student needs to see the need for intellectual integrity in a personal quest for truth and justice. This would mean, that the ‘Sindhian’ is expected to develop intellectual skills and understanding which cut across and go beyond academic requirements.

- The primary aim of our education is to strengthen our base for academic excellence. The academic excellence does not merely remain at the level of high percentage results, but to the extent we are able to train persons in various strata of knowledge. This is done through various associations and activities which are greatly intellectual oriented such as quiz, debate, lecture contest and the like. The interest of the teachers and the encouragement of the Management have led to the growth of this academic atmosphere. All in all, academic excellence has been the prime aim of Sindhi Seva Samiti.
- The Samiti expects its students to develop a patriotic spirit. This would mean a deep understanding of the cultural heritage of the country and the capacity to rise above parochial, communal, regional feelings and sentiments. A secular and democratic outlook with a deep loyalty to the nation and an awareness of current social, economic and political trends give the students the realization of the great task ahead of them as responsible citizens.

**They are**

The fundamental rights were included in the constitution because they were considered essential for the development of the personality of every individual and to preserve human dignity. For this purpose, the constitution guaranteed to all the citizens of India the freedom of speech and expression and various other freedoms in the

firm of the fundamental rights. Having these perspectives, the institution formulated Human Rights Cell (Fundamental Rights) on Feb 4th 2019.

**Aims:** To expedite and empower the people to enjoy human rights in each and every walk of life
