REPORT ON PARENT'S TEACHER'S MEETING

Parents teachers meeting was conducted on **15th June 2024** at 11:15am to 1:00pm. The meeting was a productive and collaborative session aimed at fostering strong communication and support between the college, students, and their parents. Most of the parents were keen on understanding how the ward has improved over the semesters and they shared how their wards expressed their opinion about each class and subjects. Parents were also made known about the student's test performance, their attendance and the areas in which further development need to be required. Each student's academic and behavioural progress was discussed in detail, with faculty members providing personalized reports that highlighted strengths and areas for improvement. Strategies and resources were shared to help parents support their child's learning both at home and in college.
