Department of Commerce planned series of orientation for the new joining students .

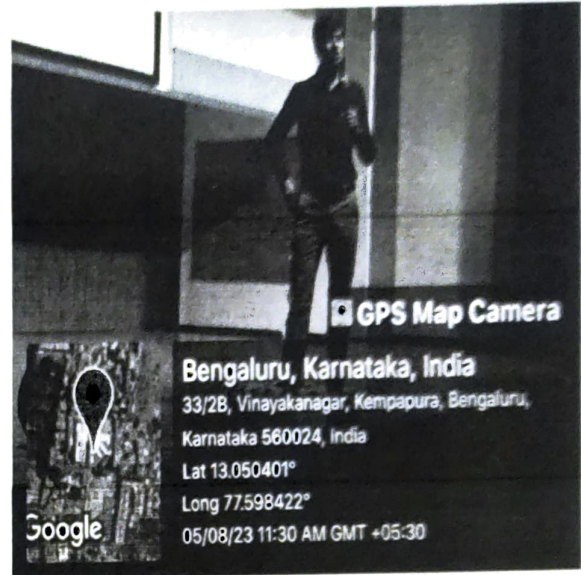

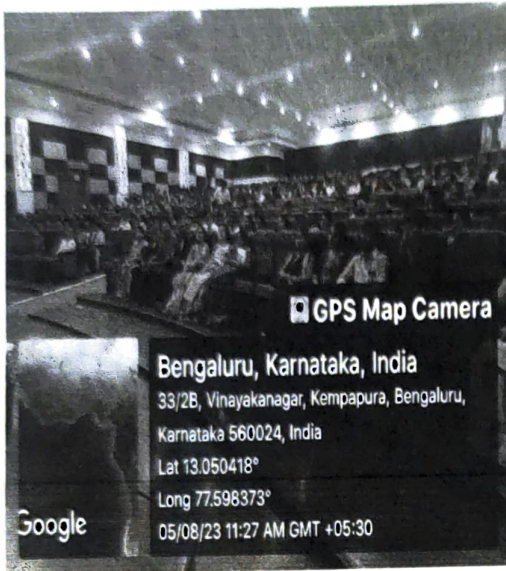

## **CA orientation**

Commerce is a discipline which is widely recognized world wide. The need of Commerce is felt in each and every area. But there is a drastic change in the field of commerce. There are many such commerce course which are recognized as professional course just like any other professional course namely CA, CS, ICWA, CMA.

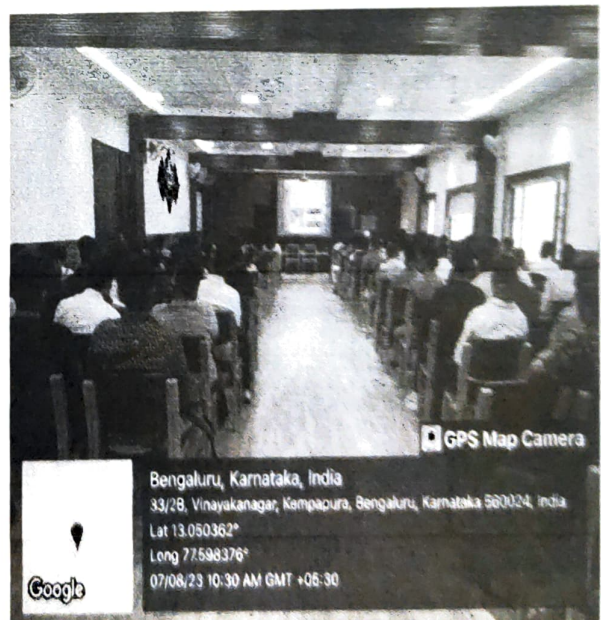

CA Rajavardhan was invited as guest for the orientation for CA Program. CA Rajavardhan started the session by focusing on the importance of professional course. A complete insight of Chartered Accountant course as a professional career and its future challenges was discussed. Sir briefed about the challenges of completion of the course and the privileges one can enjoy after the completion. He also briefed about the changes in the pattern of the course i.e, the old pattern and the new pattern of syllabus which made students feel more interested in the course. Parents also got a better idea about the professional course.

### Orientation by Department of Commerce

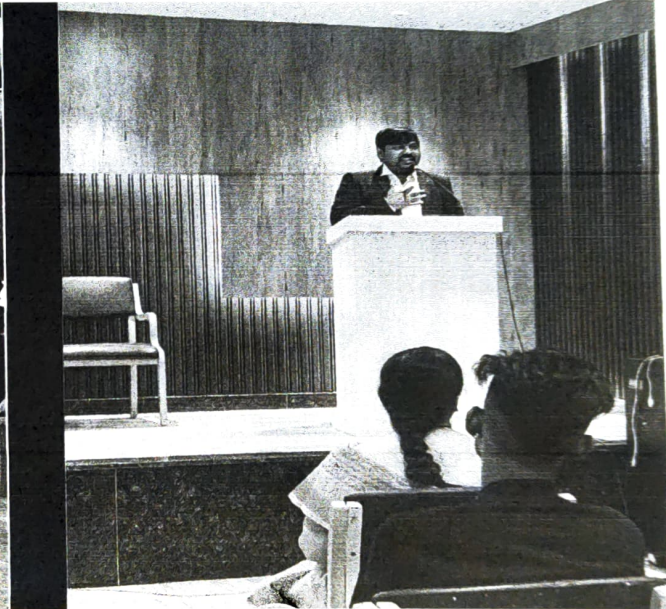

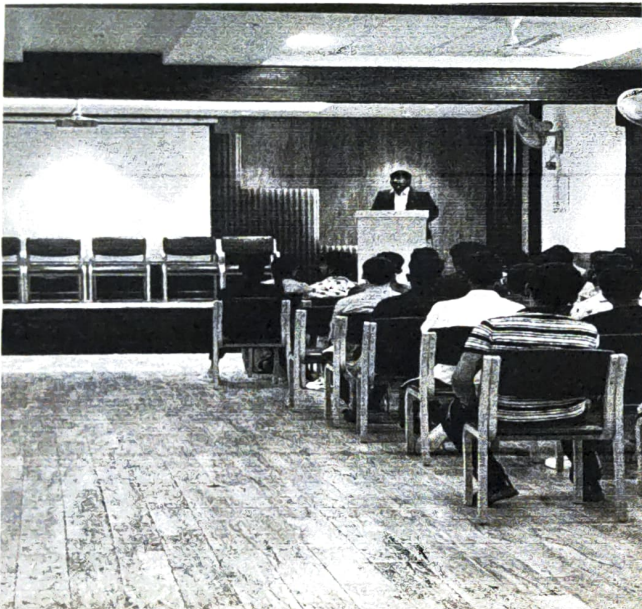

Department of commerce planned orientation to the new joining students to give an insight of the department, policies and activities. The program was scheduled on 7th August 2023. The session started by the introduction of all the teaching staff of Department of Commerce by Prof. Jayshree

Tambad, HOD Department of commerce. Mam gave an insight of course curriculum which made students understand the semester scheme of degree class and the policies followed. The session continued by briefing about the activities organised by the department such as club activities, industrial visit, VAP Program, and many more which gives an opportunity to students to do thing beyond the curriculum.

## Orientation by ProEdge on CS

Company Secretary is also another most prominent professional course in the field of Commerce. To give more information of the same representatives from Proedge Pvt Ltd were invited. Mr. Fayaz, Representative from Proedge started the program by making students understand, why CS is called as professional course. He also discussed the content and the duration required to do the course. Lastly sir focused the booming opportunities of CS in the country. The session went all with very
