Event Report: Guest Lecture on "Journalism in the Age of Misinformation"

Title: Navigating the Information Landscape: Insights from Mrs. Adithi Manasa TS

Type of Activity: Guest Lecture

Date: December 23, 2023

Venue: Seminar Hall, Sindhi College Kempapura, BA Department

Organizer: Journalism Department, Sindhi College Kempapura

On the 23rd of December, the students of Sindhi College Kempapura, BA Department, were privileged to attend a thought-provoking guest lecture on the topic **"Journalism in the Age of Misinformation."** The distinguished speaker for the event was Mrs. Adithi Manasa Ts, Senior Executive Producer at Sun TV Network Limited.

The program began with a melodious welcome song performed by Rama Devi and Shree Varshini. Prof. Kaushik, Head of the Department of Journalism, stated in his opening remarks, "The information source has taken a diversion. In today's digital age, information, filled with gossip and entertainment, has shifted to mainstream media, creating a toxic environment. The source of all this is the 'WhatsApp University'."

Paashmina, a student from the BA Department, offered a comprehensive introduction to Mrs. Adithi Manasa Ts. Mrs. Adithi, a seasoned journalist with a remarkable career spanning over 13 years, has excelled in various domains of journalism, including print media, electronic media, radio, OTT, and digital platforms. Her prowess as a brilliant storyteller was highlighted during the session.

During the lecture, Mrs. Adithi emphasized the importance of critical thinking in the face of misinformation. She urged the students not to blindly accept any news and stressed the significance of verifying information from reliable sources. The speaker discussed the prevalence of fake news and provided examples of AI-generated morphed images and videos, citing incidents involving celebrities like Rashmika Mandana and political figures like Narendra Modi.

Mrs. Adithi encouraged the audience to report fake content on various platforms, including social media and YouTube. She shed light on the role of the censor board in regulating content in movies, addressing concerns related to nudity and violence. The session was highly interactive, featuring a question-and-answer segment that allowed students to engage directly with the speaker.

The lecture left a lasting impact on the students, equipping them with valuable insights into the challenges of contemporary journalism. Mrs. Adithi's emphasis on media literacy, critical thinking, and responsible sharing of information resonated with the audience, fostering a sense of awareness and responsibility.
