Day 5 – 17/12/23

The fifth day of our camp proved to be a testament to the growing synergy within our team. As the sun rose at 5 am, we gathered for the flag hoisting ceremony at 6 am, fostering a sense of unity and pride among us. The morning presented a unique challenge as our team ventured into assisting the chef with various kitchen tasks. Chopping vegetables and grating coconuts became unfamiliar yet exciting endeavors for all of us.

Initially, we encountered difficulties in coordinating our efforts, but as the day progressed, we found our rhythm and adapted to the demands of the kitchen. The experience not only allowed us to contribute to the camp in a meaningful way but also helped forge stronger bonds within the team. By breakfast time, we had overcome initial hurdles and successfully prepared a delicious meal for all the volunteers.

As the day unfolded, our team's cooperative skills continued to evolve. In the afternoon, we divided into two groups, with one team assisting the chef and serving volunteers, while the other took on the responsibility of washing dishes. This strategic division of labor proved effective, and within an hour, we completed our tasks, leaving us with extra time to prepare for the upcoming evening snacks and dinner.

Despite the fatigue that set in after the busy afternoon, our team persisted, demonstrating unwavering dedication. We encountered challenges and experimented with different ideas, some of which didn't go as planned. However, our collective determination and resilience prevailed, allowing us to serve the evening meals on time for all the officials and volunteers.

Reflecting on the day's accomplishments, we recognized the importance of staying calm and confident in the face of challenges. We made a collective decision to carry this spirit of cooperation and team building beyond the confines of the camp. Our commitment is not just for the duration of the event but for a lasting bond that will endure indefinitely because, as we remind ourselves, "We All Are One."

As we concluded the day, a sense of achievement and unity enveloped our team, setting the stage for the days to come. We eagerly anticipate the remaining days of the camp, confident that our strengthened teamwork will continue to make a positive impact on our shared objectives.

Day 6 – 18/12/23

The sixth day of our camp began with an early rise at 5 am, followed by the engaging flag hoisting ceremony at 6 o'clock, a tradition that continued to instill a sense of unity and patriotism among all the NSS volunteers. However, this day held a unique schedule as the cooking team remained behind while the other three teams embarked on a trekking and yoga session.

The morning's outdoor activities provided a refreshing change of pace and allowed us to connect with nature. Upon returning to the school premises, a well-deserved breakfast awaited us, setting the stage for the health check-up program scheduled for 10:30 am. The health camp site, located in Dasegowdana Doddi village, saw the collaboration of NSS volunteers, SSSAK trust, NSS Program Officer Prof. Vaiyadesh Sir, and other faculty members.

The health camp commenced with various duties assigned to NSS volunteers, such as registration, inviting village members, and issuing new and duplicate cards. The mega medical camp unfolded with active participation from villagers, and with the support of SSSAK, comprehensive medical check-ups were conducted. Common health issues identified during the camp included dizziness, giddiness, abscess, rashes, itching, fever, back pain, joint pain, headache, abdominal pain, and body ache.

The significance of health camps in rural areas was emphasized, as they play a critical role in providing medical care, raising awareness about healthcare, and promoting preventive measures. The health camp concluded at 3 pm, marking the end of a successful and impactful initiative.

Following the health camp, three distinguished guests—Professor Subramanian, Professor Chitti Babu, and Professor Raju—joined us for the cultural event. Lunch was served, and a meeting ensued, providing an opportunity to discuss the outcomes of the health camp, acknowledging both improvements and drawbacks. Plans for the cultural event were finalized, and the evening unfolded with a series of performances, showcasing the diverse talents of the NSS volunteers.

The cultural event concluded successfully, bringing a sense of joy and accomplishment to all involved. To cap off the day, the volunteers gathered to watch a movie, providing a well-deserved moment of relaxation and camaraderie.

As we reflected on the day's events, it became evident that our efforts were making a meaningful impact on the community. The spirit of collaboration and service continued to thrive, setting a positive tone for the remaining days of our camp.

Day 7 19/12/23

The entire experience at the camp was not just a physical journey but also a transformative one for all the NSS volunteers. The day began with a sense of

unity and purpose as the team gathered at the ground for the flag hoisting ceremony at 6 am. The solemn moment of raising the flag marked the beginning of a day filled with adventure, camaraderie, and personal growth.

Once the flag was hoisted, the volunteers, energized with a sense of patriotism, proceeded to have breakfast before embarking on the trek to Ramakal Betta. The team was under the guidance of dedicated individuals, including Prof. Pooja, NCC officer Shankar Sir, Srinivas Sir, and two local villagers who played a crucial role in ensuring the safety and guidance of the volunteers during the trek.

The journey up the hills was challenging, but the spirit of teamwork and encouragement among the volunteers made the experience not only bearable but enjoyable. The breathtaking views and the natural beauty of the surroundings provided a refreshing break, allowing everyone to appreciate the serenity of the environment.

Upon reaching the summit, the villagers graciously provided lunch to the NSS volunteers, showcasing their hospitality and strengthening the bond between the volunteers and the local community. This cultural exchange added a unique dimension to the entire camping experience, fostering mutual understanding and appreciation.

After a well-deserved break, the volunteers descended from the hills safely, reflecting on the accomplishments of the day. The physical challenge of the trek served as a metaphor for the personal growth and resilience that each volunteer discovered within themselves.

As the day came to an end, the volunteers packed their belongings, expressing gratitude and bidding farewell to the villagers who had been instrumental in their journey. The journey back to the college was not just a physical return but also a symbolic journey of self-discovery and newfound leadership qualities.

The team reached the college at 6:45 pm, bringing an end to an eventful and enriching day. The memories created during the camp will undoubtedly stay with each volunteer, serving as a source of inspiration and motivation in their future endeavors. The success of the camp can be attributed to the unwavering support and guidance provided by the NSS officers, Prof. Vaiyadesh and Prof. Reethu, who played pivotal roles in shaping the volunteers into potential leaders of tomorrow.

In conclusion, the camp not only strengthened the bond within the NSS team but also fostered a deeper connection with the community. The challenges faced during the trek became opportunities for personal and collective growth, leaving the volunteers with a sense of accomplishment and pride. The entire experience was a testament to the transformative power of teamwork, resilience, and community engagement.

Report on Celebration Of Gandhi Jayanthi

Date : 02nd October, 2023

Venue : Gandhi Bhavan, Bengaluru

Participants : 25 Volunteers (Boys 19, Girls 06)

Objectives:-

To spread awareness about "Gandhian rules and Principles" to the youngsters.

2nd October is bookmarked as a cherishable day for NSS volunteers of Sindhi College as we were given the opportunity to spend the birthday of 'The Father Of The Nation' at the prestigious Gandhi Bhavan. Gandhi Bhavan is a museum dedicated to Mahatma Gandhi. It consists a gallery with rare photographs of Gandhi and letters written by him. It serves as a venue of solitude and Gandhian principles. This place in Bangalore is specially dedicated to the life and teachings of Mahatma Gandhi, serving as a hub for activities related to his principles.

NSS students reached the venue at 9 am, hoisted and saluted the flag as a mark of respect, followed by speech by the CM. The events organised educated everyone on the principles of our Mahatma, giving us deep insights on his ideologies and way of life through discussions and cultural programs. The main aim was to spread the message of non-violence, truth, and social harmony to all. Later lunch was provided.

Outcome: Volunteers learnt more on his contributions along with gaining knowledge on a better way to live, making it a memorable and an inspiring experience.
