Date: 31st April 2024

Venue: Nelmangala Sukrishi Farm

Organizer: Mr. Bhargav H.C., Ex-President of Sindhi College

Total Number of Students : 41

Introduction: The Environmental Conservation Camp held at Nelmangala Sukrishi Farm on the 31st of April 2024 was a significant endeavor aimed at fostering environmental awareness and promoting sustainable practices among the participants. Organized by Mr. Bhargav H.C., the former President of Sindhi College, in collaboration with the National Service Scheme (NSS) and Leo Club volunteers, the event brought together students and community members in a collective effort towards environmental conservation.

Tree Plantation Activity: The day commenced with a sense of purpose as volunteers gathered to plant twenty individual tree saplings at the Sukrishi Farm. The act of planting trees symbolized our commitment to combatting deforestation and enhancing green cover. With shovels in hand and determination in hearts, participants worked together to ensure the successful establishment of these saplings, which will contribute to the restoration and preservation of the local ecosystem.

Community Engagement and Collaboration: The involvement of NSS and Leo Club volunteers exemplified the spirit of community service ingrained within the students of Sindhi College. Their active participation and dedication to environmental causes underscored the importance of collective action in addressing environmental challenges. Furthermore, the collaboration between students, faculty, and community members emphasized the synergy that can be achieved through shared goals and coordinated efforts.

Trekking Expedition and Environmental Education: Following the tree planting activity, participants embarked on a trekking expedition through the picturesque surroundings of Nelmangala. As we traversed the rugged terrain, we encountered the dry tributary river of Kaveri, serving as a stark reminder of the

impacts of climate change and human activities on water resources. This experience prompted discussions on the importance of water conservation and the need for sustainable water management practices.

Throughout the trek, experts in environmental conservation and sustainable agriculture facilitated educational sessions, providing valuable insights into various aspects of environmental stewardship. Topics such as organic farming techniques, biodiversity conservation, and waste management strategies were explored, enriching participants with practical knowledge and inspiring them to become catalysts for change in their communities.

Reflection and Conclusion: The Environmental Conservation Camp concluded with a sense of accomplishment and renewed commitment to environmental stewardship. Participants departed with a heightened awareness of the interconnectedness between human activities and the environment, as well as a sense of responsibility to protect and preserve our natural resources for future generations.

In summary, the Environmental Conservation Camp at Nelmangala Sukrishi Farm served as a catalyst for environmental consciousness and action. Through tree plantation, community engagement, trekking expeditions, and educational sessions, the event fostered a holistic understanding of environmental issues and empowered participants to take meaningful steps towards sustainable living.

Acknowledgments: Special thanks to Mr. Bhargav H.C. for his visionary leadership and dedication to environmental conservation. Gratitude is also extended to the NSS and Leo Club volunteers, as well as all participants and collaborators, for their invaluable contributions to the success of the camp.

17 Nov 2023

Sindhi College celebrated its energetic Freshers' Day celebration on 17 Nov 2023. The event aimed to warmly welcome new students and foster a sense of community within the college.

The day began with a formal inauguration ceremony, attended by the college principal, faculty members, and esteemed guests. Their words set the tone for the event, inspiring freshers for the journey ahead.

Cultural performances, including dance, music, and fashion show, highlighted the diverse talents of the students from across different course. These performances contributed to the vibrancy of the event, promoting creativity and unity. 30+ programmes brought great spirits to students as a refresher in the academic time

Interactive sessions organized by senior students provided insights into college life, academic expectations, and available opportunities. Introduction

The Sindhi College was founded by the Sindhi Seva Samiti mainly to provide College level education to the students of Sindhi High School and also to the students of other schools. This Institution draws its inspiration and guidance from the Sindhi Seva Samiti known for its philanthropic disposition. Started in 1994, the institution is well set on its path for fulfilling its lofty objectives and has already made its mark in the field of academic excellence.

Aims and Objectives

This institution aims to provide the right environment for the development of the full potential of the student, by

- a) Stimulating creativity and a love for learning
- b) Cultivating qualities of understanding, goodwill and co-operation.
- c) Imbibing an awareness of the socio-economic needs of the community.
- d) Nurturing a vision for national and universal integration.

Sindhi Seva Samiti is inspired by a vision drawn from the life and teachings of great Indian Educationists. It is based on the principles of character building.

Openness to Growth

- A student is expected to mature as a person emotionally, intellectually, socially and spiritually to a level that reflects responsibility for his / her own growth as opposed to a passive, drifting and laissez-faire attitude. The student must begin to reach out towards his development, seeking opportunities to stretch his mind, imagination, feelings and religious consciousness. One needs to learn to move beyond self-interest or self-centeredness in relation to others and to reflect the confidence and freedom of a mature person.
- A mastery of academic requirements for advanced forms of education is to be cultivated. The student needs to see the need for intellectual integrity in a personal quest for truth and justice. This would mean, that the 'Sindhian' is expected to develop intellectual skills and understanding which cut across and go beyond academic requirements.

- The primary aim of our education is to strengthen our base for academic excellence. The academic excellence does not merely remain at the level of high percentage results, but to the extent we are able to train persons in various strata of knowledge. This is done through various associations and activities which are greatly intellectual oriented such as quiz, debate, lecture contest and the like. The interest of the teachers and the encouragement of the Management have led to the growth of this academic atmosphere. All in all, academic excellence has been the prime aim of Sindhi Seva Samiti.
- The Samiti expects its students to develop a patriotic spirit. This would mean a deep understanding of the cultural heritage of the country and the capacity to rise above parochial, communal, regional feelings and sentiments. A secular and democratic outlook with a deep loyalty to the nation and an awareness of current social, economic and political trends give the students the realization of the great task ahead of them as responsible citizens.
