Resolutions Passed

1. Confirmation of the proceedings of the Governing Council Meeting held on 14th December, 2019.

Resolution: Read and Confirmed

2. Action Taken Report on the Resolutions passed in the Governing Council Meeting held on 14th December, 2019.

Resolution: Noted and Appreciated

3. Presentation of V semester results of University Examination -Nov/Dec 2019

Resolution: Presented. Governing Council appreciated the performance of students. Dr.Pandurangappa, university representative advised to take remedial classes for slow learners especially in subjects where pass % is below 80%.

The Principal informed the Governing Council that the practice of conducting remedial classes for slow learners is in place in the college. Slow learners are identified based on their performance in Internal Examination and remedial/ special classes are conducted. Separate time table is prepared for remedial classes

The Principal also presented the list of centum scorers in various subjects. The Governing Council appreciated the same and at the same time , university

representative, Dr. Pandurangappa wanted to know whether there is any practice of appreciating advanced learners or centum scorers in the college. The Principal briefed the council that in order to inspire the advanced learners and motivate other students to perform well, there is a regular practice of appreciating class toppers, semester toppers and centum scorers by presenting appreciation certificate and trophy on the occasion of college annual day.

4. To discuss the students' feedback on curriculum for the year 2019-20

Resolution: From the analysis on students' feedback on curriculum for the year 2019-20, it is understood that:

- The curriculum is not enough to make students job ready

The Principal briefed the council that to overcome the first issue various Value Added Programmes which are relevant in current corporate/ market trend are identified and provided to the students of all the classes and courses as per the recommendations provided by various industrial experts in order to make them job ready.

- Further the highlight of the feedback is that many students wanted to be a part of the Curriculum Framing Committee.

The President was all in praise for the interest shown by the students to be a part of the Curriculum Framing Committee. He also said that the present students are very well aware of the requirements of the job market and hence they wanted their ideas to be incorporated in the curriculum.

The Chairman requested the university representative to take up this issue in the appropriate forum in the university, for which he consented.

University representative informed the council that in the appropriate forum, he would recommend to the university to involve maximum number of industrial experts in Board of Studies in order to bridge the gap between industry and institution and make students employable graduates.

5. Presentation of reports on major events/activities conducted in the college after the previous meeting.

Principal presented major activities conducted in the college after the previous meeting.

Principal presented the video glimpse of newly constructed classroom by college at Government Primary School, Dasegowdana Doddi village, Ramanagara District.

Governing Council appreciated the efforts of Management, Principal, Staff, Students and NSS volunteers.

6. Any other subject with the permission of the chair.

Resolution: Under any other subject, Principal requested the Council to inaugurate the newly constructed class room at Dasegowdana Doddi, Ramanagara District on 18th October, 2020 for which President consented.

Prof.Pandurangappa, University Representative suggested to conduct spoken kannada classes for non-karnataka students so that they would be able to mingle with local students and learn about the state language, culture and tradition

As there was no any other subject for discussion the meeting ended with thanks to the chair.

4. Proposed National Seminar on "Innovation, Entrepreneurship and Start-Ups for Smart Societies – Trends, Opportunities and Challenges" to be held in the month of March, 2018.

- In order to provide opportunities for faculty members to update and upgrade their knowledge through interaction with peers and experts, National Seminars/Workshops are organised in the college.
- It is proposed to conduct the seminar in the month of March, 2018 on the subject cited above as per the suggestions made by experts and faculty members.
- The topic is of current interest and is multidisciplinary in content.
- Negotiations are in progress with the editors of UGC approved Journals to publish research papers presented in the said seminar/ Papers will be published in the form of proceedings of the conference.
- The conference is organised by the departments of Commerce and Management and Computer Science.
- Organising National conferences will give weightage for NAAC accreditation.

Placed before the council for approval

5. Workshop on Intellectual Property Rights and Industry Academia Interface.

- It is proposed to organise one day workshop on the above topic by the PG Department in the month of February, 2018.
- Intellectual Property Rights is a very hot topic in the current scenario of higher education particularly in the background of rampant plagiarism being noticed in the present days.
- Day in and day out, industrialists are making a hue and cry on the gap between the what is taught in the class room and what is required by an industry despite the efforts made by both academicians and entrepreneurs to bridge the gap. In this background, the subject assumes lot of significance
- These subjects are suggested by NAAC in the new guidelines

Placed before the council for approval

6. To explore the possibility of setting up Incubation Centre.

- Incubation centre provides a complete new start-up eco system for the upcoming young entrepreneurs.
- It is a platform where a business idea can be nurtured and translated into a viable business proposition.
- Expert guidance provided.
- Information regarding mobilisation of funds provided.
- Networking with other industries provided.
- Proposed to conduct lectures by successful entrepreneurs and experts from financial intuitions in order to expose the students for the opportunities available in the field.

Placed before the council for approval

7. To organise Inter- Collegiate paper presentation competition for PG students.

- To develop sound knowledge of the subject.
- To promote research culture among the students.
- To enhance oratorical skills.
- Proposed to invite students from other PG colleges.

Placed before the council for approval

8. To explore the possibility of taking up industry sponsored projects.

- It is proposed to undertake industry sponsored by students and faculty :
 - As it exposes them to live projects
 - Provides practical knowledge
 - These projects can be given as case studies to the students- Innovative teaching practice

Placed before the council for approval

9. To discuss the students feedback on curriculum for the year 2016-17

- The Salient points observed from the feedback are the following:
 1. Students feel that the syllabus doesn't make them job ready.
