Guest lecture on Potential Career Opportunities for PG by Dr Krishna R on 27th Aug 2015

Dr. Krishna R

If you choose wisely, postgraduate study can help maximize your career potential.? Whether you're an undergraduate contemplating staying in higher education or a professional considering a return to study, if you're thinking about postgraduate study then you're not alone. The last five years have seen more students jostling for places on postgraduate courses than ever before. Given the turbulent nature of our economy and our challenging job market this means that it's more important than ever to be sure that the postgraduate experience is the right choice for you. For many, it can be a stepping-stone to a dream job, but there are no guarantees. It may sound obvious, but probably the best reason for taking the postgraduate plunge is because you are genuinely stimulated by academic study – there's little point otherwise.

ENGLISH DEPARTMENT

REPORT ON THE GUEST LECTURE HELD ON 29TH AUGUST 2019

A guest lecture was organised by the Department on the topic "Humanity and Ethics in the age of Commercialization", on 29th August 2019, in the college seminar hall. I Semester B.Com 'B', III Semester B.A. and a few students from other streams were among the audience. (100 students)

Dr. R.V. Sheela, Associate Professor of English in MES degree college was the resource person. Ms. Nalini Purushothama, Assistant Professor in the department was the MC. Ms. Vanitha, Assistant Professor of the dept, welcomed the gathering and Dr. Padmavathy, HOD of the dept. introduced the guest to the audience. The speaker began her deliberation by referring to three anecdotes of contemporary occurrence. Further, she spoke on the meaning of ethics and its place in the present society. Referring to various fields including education, she presented various incidents where ethics or the value system has vanished. She also further deliberated on the rights of the individuals and its stand in the present context. All her interpretations were rhetoric in nature. The session was concluded with an interesting questionnaire session, which witnessed the outburst of thoughts and views of the students on the topic of the lecture. Ms. Nagarathna, Assistant professor of the dept. proposed vote of thanks.

On the whole, the lecture was inspirational and stirred the minds of the young listeners.
