MEATLESS DAY AWARENESS

OBJECTIVE

Promote compassion, non-violence & reverence for all life.

In 1986, it was proposed that November 25, Sadhu Vaswani's Birthday be celebrated as an International Meatless Day. The campaign has met with considerable success in that, millions of individuals send their pledges to the Sadhu Vaswani Mission to go meatless on this day. Four state governments in India - Maharashtra, Gujarat, Karnataka and Andhra Pradesh - have issued instructions for the closure of slaughter-houses as well as butchers' shops on 25th November every year, in their respective states.

In order to create awareness in the minds of citizens about the Meatless Day campaign, Peace Marches are held in Pune and other cities in November, every year. Thousands of students from city schools and colleges march through the streets propagating the idea of Meatless Day and reverence for all life, as the first step to World Peace. Meatless day Newsletters are also issued between August and November every year to propagate vegetarianism and the Meatless Day.

On 21st we conducted a walkathon along with the shout-out about the meatless day In keeping up with the ideals of its founder, The Sadhu Vaswani Mission had launched the (S.A.K.) Campaign since 1986. The purpose of the campaign is to promote compassion, nonviolence & reverence for all life.

It is the first step towards World Peace, said Sadhu Vaswani - whose birthday, November 25, is now celebrated all over as International Meatless Day.

MEATLESS DAY

Newsletter

No. 102 November, 2016

Reverence
For Life
Sadhu Vaswani

All life is sacred. All life has its claims on every one of us. True ethics, therefore, rest on recognition of this thought – the reverence for life.

Reverence for life includes:

- Sympathy or fellow-feeling and,
- Something more, i.e. love.

Reverence for life is love for all living beings – the whole universe. This reverence makes it imperative on us not to cause pain to anybody. This pain is triple – pain by thought, pain by word, and pain by deed.

Do
Unto
Others

As a child, Princess Beatrix of Netherlands had a pet dog that she was extremely fond of. The care and feeding of that dog was entirely her responsibility, the regime for which she followed diligently.

Alas, one day, she forgot to feed her dog! The next morning, as per the orders of her father Prince Bernhard, this Princess was not served any breakfast. This simple action made her learn an unforgettable lesson.

We should give the same love, respect and care to animals as we give to our fellow human beings.

Rescue Our Planet

This environment, with its variety, intricacy and beauty, is what sustains us. We must put in every endeavour to keep it pristine, authentic and flourishing.

Each creature, each species serves its own special purpose. Each one is precious and invaluable in the chain of creation. Their destruction leads to

environmental degradation. Only man has the power to save and sustain this planet, or to damage and destroy it. Let us vow to become architects of a world where no one hurts or harms another.

The first step in this direction is to abstain from all killing. Meatless Day, on November 25, has been chosen as a special day to unite globally and become the shining light in defending and conserving our earth and its environment. On this day let us join our hands in loving unison, letting our voices rise together, in support of making our planet a sanctuary, a refuge and a safe haven for all living creatures.

LET US FORGE AN UNBREAKABLE HUMAN CHAIN WITH THE RESOLVE TO MAKE NOVEMBER 25 A MEATLESS DAY WORLDWIDE.

Kindly Observe
NOVEMBER 25 AS
MEATLESS DAY
AND
ANIMAL RIGHTS
DAY

To understand any living being, you must creep within and feel the beating of his heart.
